Smd Mounting Pcb Pick And Place Machine , Pcb Chip Mounter Original Condition

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE ISO CCC
- Model Number: HT-E5D
- Minimum Order Quantity: 1
- Price: USD 43000~95000
- Packaging Details: Vacuum wooden packing
- Delivery Time: 15-30 days
- Payment Terms: T/T, Western Union
- Supply Ability: 50 Unit per month

Product Specification

- Warranty: 1 Year
- Name: SMT Pick And Place Machine
- Condition: 100% Original
- Quality: High Quality
- Feeders: 60
- Net Weight: 2800kg

Product Description

Double module magnetic linear motor multifunctional pick and place machine HT-E5D

Product description:

HT-E5D features 16 simultaneous pick-up heads, has been designed for ease of use, efficiency, cost effectiveness and increased expandability and compatibility. with double module, can produce two types of products at the same time. The X axis is magnetic liner motor, Y axis and Z axis is servo motor, very good performance and high accuracy. It's intelligent, can produce different types of LED light and electric board, such as tube, bulb, strip, panel, downlight, streetlight, power, driver. Its high precision, apply to LED chips, resistor, capacitor, IC, shaped components etc.

Details:

Technical parameter

Number of Heads	16
Alignment	Vision for the Flight Identification, Mark correction
Drive Motor	High-end magnetic linear motor + Servo Motor
Max Placement Rate	80000CPH
Max Tape Feeder Capacity	60
power/power consumption	380AC, 50Hz/ 8kw
Mounting Precision	±0.02mm
PCB Length Width	Max: 500*300mm Min: 100*100mm
Air pressure	>5Kg per cm
Component Range	Smallest Size 0402
	Max Height 36mm

Client & Parking & Transportation :

ETON got large market share in USA , KOREA , INDIA , GERMANY , EGYPT , TURKEY , VIETNAM , TUNISIA , THAILAND more than 20 countries.

Our packing method is vacuum wooden case packing.

Supporting sea, air and land transportation.

**THE TEAM:**

Our team in the principle of customer first, service first, with our enthusiasm, professional for customers to bring quality service, production of quality products. In the negotiation with customers, our team will use fluent English to explain our products for customers, so that customers can better understand our products.

FAQ:

Q1: Are you a manufacturer or trading company?

A1: A company integrated with R&D, manufacturing, sales & service.

Q2: What about the shipping methods?

A2: Our mode of transportation is by sea, air and road.

Q3: What's your delivery time?

A3: Usually 30 days after deposit, if we have inventory, the time can be brought forward.

Q4: How can you make sure we will receive the machine with high quality?

A4: Our team will inspect each batch of machine before delivery, we have certificates of CE, Quality management certificate.

Q5: How is your service?

A5: If you buy our machine, we will send our engineer to your factory to install machine and training freely.

Q6: Machine is easy to operate?

A6: Machine is easy to operate, usually 3 to 5 days training of operating is enough.
