

## Pick And Place Machine For LED Display

Our Product Introduction

### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE ISO CCC
- Model Number: HT-F8
- Minimum Order Quantity: 1
- Price: USD 43000~95000
- Packaging Details: Vacuum wooden packing
- Delivery Time: 15-30 days
- Payment Terms: T/T, Western Union
- Supply Ability: 50 Unit per month

### Product Specification

- Highlight: **smt pick and place equipment, smt moulder machine**

## Product Description

Pick and place machine-Professional for LED display  
HT-F8

Features:

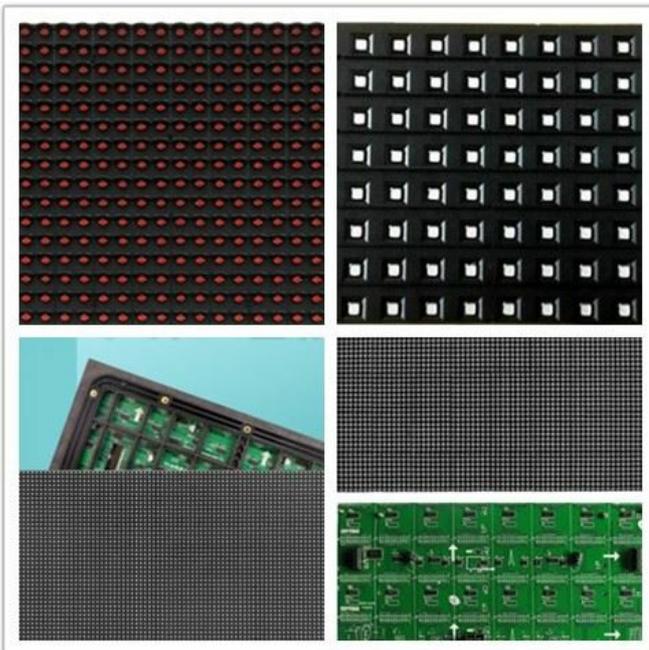

- 1) Adjust and fix PCB automatically by software.
- 2) No need support plate for mounting LED display. Two module, 32 nozzles totally, part A and B can work separately or synchronously.
- 3) Exclusive patent technology: Group to take and group to mount.

Technical parameter

Technical parameter	
Length*Width*Height	1600*1900*1550mm
Total Weight	1100kg
PCB length width	Max:345*600mm,Min:80*110mm
Mounting Precision	±0.02mm , Vision alignment, Mark vision
Mounting speed	150000 CPH
Components	LED221/2727/3528/5050 and resistor,capacitors,bridge rectifiers
power/power consumption	220AC,50Hz/ 5kw
No.of Feeders Station	32PCS
No.of nozzles	32PCS
Mounting Height	<15mm

Application:

The high speed pick and place machine HT-F8 is very suitable for led display.  
It will improve your production efficiency,save labor,space,power etc.

Company Introduction:

ETON Automation Equipment Co., Ltd. is a professional manufacturer focusing in pick and place machine. Right now, we have integrated R&D, production and sales together.

With good quality, competitive price, easy operation and energy saving, our products are very popular in domestic and overseas market. And all of our machines are widely used in electronic circuit, photovoltaic, LED industry, instruments and apparatuses. Up to now, our products are already sold in many countries such as USA, KOREA, INDIA, GERMANY, EGYPT, TURKEY, VIETNAM, TUNISIA, THAILAND more than 20 countries. We will continue to make great efforts to satisfy the customers' requirement.

We will continue to make great efforts to satisfy the customers' requirement.

SMT Pick and Place Machine: It is our primate product, the working teams have always been dedicated to the research and development of SMT machine, which has become a widely recognized brand by customers.

**Environment & Certification:**

Customers cooperating with us:

Parking & Transportation :

Successful Experien

- 1) Eton's customer in 25 countries around the world Training more than
- 2) 300 experts and technician for customers.
- 3) Became the most reliable Chinese partner for you.

FQA:

1.Are you a trade company or a manufacturer?

=>We are a national high-tech enterprises research and development, production, sales and after-sales service as a whole

2.What is your delivery date?

=>The delivery date is about 15~30 days after receipt of payment.

3.What is your payment terms?

=>30% deposit in advance and 70% balance before shipment.

4.Who is your client?

=>We have exported machine to different countries,such as India,Egypt,Korea,Turkey,Brazil etc.

Such as FSL,ETI,KONKA,OPPLE,MLS are our client,In india such as RK,Surya,skyquad are our client.

5. Why choose us?

=> Leading SMT Supplier in China; Professional after-sales service team.

6.How is the breakdown rate of machine?

=>Our machine is very stable,the breakdown rate is less than 0.001.

7. Is your software interface in English?

=>English interface and Chinese interface are both aviable.

Our service:

1. Quick response within 24 hours;
2. Offer free spare parts and service within one year of warranty .
3. Technology Support :We will send our engineer to your factory to install machine and training freely ; Provide Demo operation video for training show you the operation .
4. Good and professional after-sales service.
