

New Condition LED Light Production Line Automatic ET-L250 Send Board Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE
- Model Number: ET-L250
- Minimum Order Quantity: 1
- Price: 3000USD
- Packaging Details: Wooden box
- Delivery Time: 15 days
- Payment Terms: T/T, Western Union
- Supply Ability: 100 Units/ Per Month

Product Specification

- Condition: New
- Name: PCB Loader
- Product Name: ET-L250
- Highlight: led lights manufacturing machine,
led light making machine

Product Description

New Condition LED Light Production Line Automatic ET-L250 Send Board Machine

The SMT board machine is a kind of production equipment used in the SMT production and processing of electronic products. Its main function is to put the unmounted PCB board on the SMT board machine and send it to the suction machine, then the suction board. The machine automatically places the PCB on the track of the solder paste printer and uploads it to the solder paste printer for brush solder paste operation

Item	ET-L250 send board machine
Dimension	L1100*W780*H1200±30mm
Frame	Special aluminum profile guide rail and special thousand bird type plastic chain
Lift	90W Taiwan brake motor drive uses ball screw to make Magazine stepping up and down
Transmission motor	Taiwan 15W fixed speed motor
Structure	Pneumatic clamp structure
Magazine Specifications	L355*W320*565mm
Maximum size of PCB	L330*W250
Direction	Right to left / left to right
Lift platform pitch selection	10,20,30,40
Transmission height	H=920±30
Controller	Mitsubishi PLC programmable controller
Function	Automatically send board
Operation control panel	Display control true color touch screen
Pneumatic Components	Push plate cylinder position, adjusted by screw
power supply	220V 50HZ
No. of Full load storage board	50 PCS
Gas source	0.4-0.6MPa
Electric control box	1 set

Shenzhen Eton Automation Equipment Co., Ltd established in 2009. Which is national high-tech enterprise. We concentrate on building national brand and provides customers with professional, efficient, low consumption and specializes in R&D, production, sales and service of SMT machines.

If you have the requirement on SMT machines, welcome to contact Alison .
