

High Precision SMT Stencil Printer , Semi Automatic Solder Paste Printing Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE
- Model Number: ET-S600
- Minimum Order Quantity: 1
- Price: 3100USD
- Packaging Details: Wooden box
- Delivery Time: 15 days
- Payment Terms: T/T, Western Union
- Supply Ability: 100 Units/ Per Month

Product Specification

- Condition: New
- Name: Semi-automatic Printer
- Product Name: ET-S600
- Length: 1400MM
- Weight: 200KG
- Power: 220V 50/60Hz
- Highlight: solder paste stencil printer,
semi auto screen printer

Product Description

High Precision LED SMT Stencil Printer Machine ET-S600 LED Bulb PCB Printer

What is SMT?

SMT is surface mount technology (short for Surface Mount Technology) and is currently the most popular technology and process in the electronics assembly industry.

What is solder paste Semi-automatic printer of SMT line?

Modern solder paste printing machines are generally composed of plates, tin paste, embossing, and transmission boards. Its working principle is: firstly, the circuit board to be printed is fixed on the printing positioning table, and then the solder paste or the red glue is printed on the corresponding pad through the steel mesh by the left and right scrapers of the printing machine, and the PCB which is uniformly printed is passed through. The transfer station is input to the placement machine for automatic placement.

Machine's details

Below is Solder paste printer machine for small PCB board model ET-S600

Model	ET-S600
Dimensions	1400*800*1680mm
Platform size	300×600mm
PCB size	250×550mm
Template size	550×830mm
Printing speed	0-8000mm/min
PCB thickness	0-50mm
PCB fine tuning range	Front/side±10mm
Power supply	1PAC220V 50/60HZ
Platform height	850±20mm
Repeatability precision	±0.01mm
Positioning mode	Outside/Reference hole
Weight	Approx.200Kg

Company information

Shenzhen Eton Automation is a manufacturer for SMT machines, which has more than 10 years experienced in LED program.

Shenzhen Eton Automation Equipment Co., Ltd located in 44th, Building, 5th.Cuigang Industrial Area, Fuyong, Baoan District, Shenzhen, China. Eton company focus on building national brand and concentrate on providing customers professional guidance, good quality machines, good sale services of SMT machines.

Contact way

If you have the requirement on SMT machines, welcome to contact me.
