

## Newest Multi-functional Pick and Place Machine HT-E5S CE Quality Certificate

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Eton
- Certification: CE CCC ISO
- Model Number: HT-E5S
- Minimum Order Quantity: 1 unit
- Price: USD 72000-80000
- Packaging Details: Wooden box package
- Delivery Time: 30 work days
- Payment Terms: T/T

#### Product Specification

- Length: 1650MM
- Width: 1200MM
- Height: 1570MM
- Weight: 1200kg
- Power: 380AC 50Hz
- Components Space: 0.2mm
- Highlight: smt pick and place equipment,  
smt assembly machine

## Product Description

### Newest Multi-functional Pick and Place Machine HT-E5S CE Quality Certificate

#### Machines Window

##### HT-E5 introduction

High Accuracy Magnetic Linear Motor + Panasonic Servo Motor  
 8 heads 30 feeder stations  
 Mini mounting components 0402  
 The Height of Head can be Set Automatically, Maximum Height 36MM  
 Auto-optimization after coordinate generated  
 Vision for the Flight Identification, Mark Correction  
 Capacity can Reach 40000 CPH

HT-E5S is a new model pick and place machine of Eton company. This machine designed for small PCB boards. Using newest high magnetic linear motor, so the speed and accuracy is better than normal multi-functional machines.  
 HT-E5S can meet 0402 components, Max mounting height can be 36MM. It's suitable for various types of drives, power supplies, circuit boards, lenses, linear bulbs, home appliance control panels, etc.  
 HT-E5S is also a module machine so you can put this kind of machine in series for saving cost and increasing production(For the products with lots of materials).

#### HT-E5S Main parameters

Dimension	L*W*H 1650*1200*1570MM
Weight	1200kg
Mounting Heads	8 Heads
No. of Feeder Stations	30 Stations
Components	LED, capacitors, resistors, shaped components, IC, etc.
Mounting Speed	40000 CPH
Components Size	Max:18MM Min:0402
Power	380V 50Hz
X.Y Axes Driving	High-end magnetic Linear motor + servo motor

#### Company's Window

##### Eton information

Shenzhen Eton Automation Equipment Co., Ltd established in 2009. Which is national high-tech enterprise. We concentrate on building national brand and provides customers with professional, efficient, low consumption and specializes in R&D, production, sales and service of SMT automatic high-speed placement machine.

Since the establishment of Eton company, we have successively reached strategic cooperation with many domestic and foreign companies. And has achieved everyone's unanimous recognition and praise. In the field of high-speed placement machines has become a leading Chinese brand.

Before 2019, Eton company has established Shenzhen Headquarters, East China Zhejiang Office, Zhongshan Office and Xiamen Office in China. And has established a Delhi office in abroad. In the near years, Eton plan to complete the office in East China and open new office in India and other countries.

#### Choose Eton, light up your business!

##### Our services:

##### Before buying machine

- 1) Professional sales manager of LED SMT machine, provide professional suggestion and service to you !
- 2) 24 hours online service and technical support, solve your questions quickly!
- 3) Sound company organization and working system, guarantee you a fast delivery!
- 4) Design and provide the whole SMT processing lines for you based on your budget , workshop covering area with best prices!

##### After buying machine

- 1) 1 year free warranty
- 2) Visit customers regularly and get her information.
- 3) Provide latest information about technology and equipment.

##### Ship and package

- 1) shipping: Within 30 days after payment
- 2) Packaging: Standard export package or customized package

#### Our attitude

Not only we will provide the fastest, most stable and most complete LED pick and place machine for you, but also we can make the most suitable plan for you to save labor cost.

#### Machines packages for delivery abroad

All of our products to abroad using vacuum-free packaging

#### FAQ

- 1) Do you have oversea after sale service?

We can offer technical support abroad. If you have any technical problem, our engineers will support you promptly.

**2) How is the training?**

After buying our machines, you can send your engineers to our factory, or we send our engineer to your factory, and then we will train your people to operate these machines.

**3) It's hard to use the machine?**

No, not at all. For our previous clients, at most 5 days is enough to learn to operate the machines.

**4) Does your machines have quality certificates?**

We are high-tech enterprise with CE,SIRA,CCC ,ISO awarded as "Well-know brand" and many technology patents, and have rich experience(more than 8 years) in LED light production line program.

**5) What's the terms of payment? What about the trade term?**

T/T is OK. You can choose FOB Shenzhen.
