

Semi-auto Stencil Printer Machine Smt Printing Machine Pick And Place Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE , ISO , CCC
- Model Number: ET-S600
- Minimum Order Quantity: 1 unit
- Price: USD 1000-10000
- Packaging Details: Vacuum wooden packing
- Delivery Time: 15-30 days
- Payment Terms: T/T
- Supply Ability: 50 Unit per month

Product Specification

- Warranty: 1 Year
- Application: SMT Production Line
- Condition: New
- Dimension: 1400*800*1680mm
- Highlight: **smt pick and place equipment,
smt assembly machine**

Product Description

Semi-auto stencil printer 600mm ET-S600

Product features:

1. Microcomputer control, touch screen display, menu operation interface.
2. Scraper float. (similar to automatic printing machine, the scraper can float up and down freely and adjust the level with the steel mesh automatically).
3. The pressure of the scraper can be adjusted (the pressure of the scraper on the steel mesh can be adjusted according to the length of different types of scraper).
4. (that is, similar to automatic printing machine, the steel mesh shall slowly rise and release the mold within 2 seconds, and then rise and leave the PCB board rapidly, which can avoid the drawing phenomenon of stripping, save time and improve production efficiency).
5. In the menu of touch screen, you can independently set the stopping time of the scraper on the left, on the right and on the left, as well as the overall stopping time of the steel mesh.

Specifications:

Model	ET-S600
Dimensions	1400*800*1680mm
Platform size	300×600mm
PCB size	250×550mm
Template size	550×830mm
Printing speed	0-8000mm/min
PCB thickness	0-50mm
PCB fine tuning range	Front/side±10mm
Power supply	1PAC220V 50/60HZ
Platform height	850±20mm
Repeatability precision	±0.01mm
Positioning mode	Outside/Reference hole
Weight	Approx.200Kg

Company profile :

ShenZhen ETON Automation Equipment Co.,LTD.is a leading manufacturer of automatic SMT machine.In 2011,set up ShenZhen Eton Automation Equipment Co.,Ltd.In 2011,HT-12 series began selling.In 2011,HT-E3 was complete research and development (Eton 3 generation machine).

Safety and Fast Transportation

1. Packing: Vacuum wooden box packaging
2. Payment terms: T/T (30% deposit to start the production, 70% paid before delivery)

3. Delivery date: 30 days after received the payment.
4. Delivery means: By sea from ShenZhen

FAQ

Q: Are you a factory or trading company?

A: We are a leading manufacturer of automatic SMT machine with more than 10 years experience, committed to supplying our customer top quality and dedication to the constant improvements of quality, reliability, productivity and the competitiveness of our products and services.

Q: How to get a quotation?

A: Please send us an inquiry directly. We need to get specific details, such as material, size, color, thickness, quantity, etc.

Q: Can you do the production as customized?

A: Yes, we have a professional technique team, we could produce the machine depends on your requirements.

Q: What are your terms of payment?

A: We accept TT/LC, every payment term we can discuss.

Q: How long is the warranty time?

A: All ETON products carry up to a full year warranty. Supply wearing parts with favorable price and long term after-sales service. We believe in total customer satisfaction, aside from our no-hassle guarantee.

We're looking forward to the opportunity of being of service of you!
