100% Original Condition SMT Mounting Machine 150000 CPH For Unlimited Flexible Strip

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE, IEC, ISO
- Model Number: HT-F9
- Minimum Order Quantity: 1 unit
- Price: 80000-90000 USD
- Packaging Details: vacuum wooden package
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 units per month

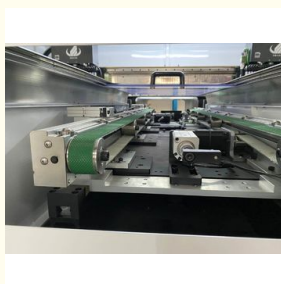

Product Specification

- Warranty: 1 Year
- Applicable Components: 0603
- Application: SMT Mounting Shooter Machine, SMT Production Line
- Condition: 100% Original
- Mounting Speed: 150000 CPH
- Pcb Thickness: 0.5-5 Mm
- Highlight: **smt pick and place machine, smt pick and place equipment**

Product Description

Features

The x-axis is using high precision magnetic linear motor from Israel technology, Y-axis and feeding platform all adopt imported screw rod to improve the operation accuracy and conveying speed of the equipment;

Mark vision correction system can take photos and identify PCB position to ensure the accuracy of placement.

< > groups of imported spline bars are adopted for z-axis of SMT head, which can efficiently complete the LED reclaiming and discharging;

Powerful function: different feeders can be configured to meet the mounting requirements of various LED products.

Simple operation: Chinese graphic operation interface, easy to operate. The program is simple, can save and edit the file, call at will;

Easy to maintain: simple design, easy to maintain. Low replacement cost and maintenance cost.

The software, circuit and hardware structure of the whole machine are independently developed by the company, with independent intellectual property rights, and the software can be updated for free for life.

Technical parameter

Technical parameter	
Model	HT-T7
Dimension	2450(L)*2100(W)*1550(H)mm
PCB Length	250*any length
Width	
PCB Thickness	0.5—5mm
Optimum Speed	150000CPH
PCB Clamping	Adjustable pressure pneumatic
Mounting Mode	Group to take and group to mount
Software	R&D independently
Power consumption	380V 50Hz
Camera	5 sets
Mounting height	<15 MM
Feeders station	64
heads	32

Contact me, let's talk details

8, 10, or 16 heads of multifunctional pick and place machine

Automatic highspeed chip pick and place machine

Automatic glue dispenser machine

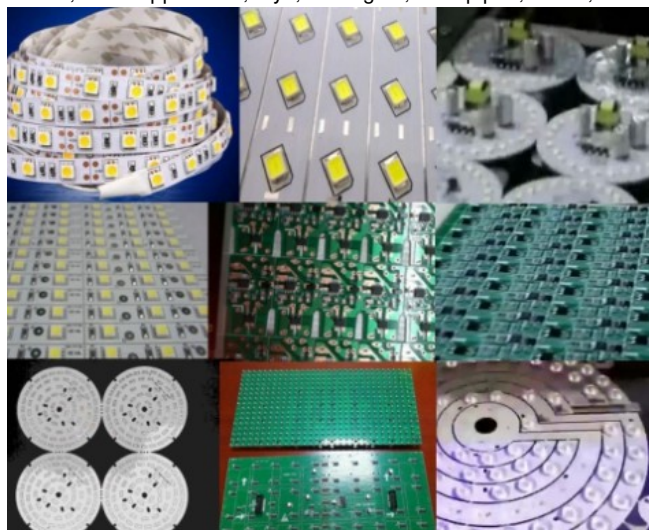

Lens mounter

Application

Fluorescent lamp, bulb lamp, ceiling lamp, panel lamp, candle lamp, DOB etc

Flexible strip, hard light strip, advertising module, outdoor display, etc.

Drives, small appliances, toys, flashlights, reed pipes, labels, etc

Customer's factory

Package and shipment

Profile

Shenzhen Eton automation equipment Co., Ltd. was founded in 2011. In the past nine years, our company has been focusing on the research and development, production and sales of SMT machines, serving thousands of domestic and foreign customers. The company's headquarters is located in Fuyong, Bao'an District, Shenzhen, with convenient transportation, and the plant area of the headquarters is 2000 square meters. There are after-sales service points in the Pearl River Delta, Jiangsu, Zhejiang and Shanghai. In 2014, our company has been in the overseas market India, Mumbai to set up offices, welcome customers who are interested in Indian market to discuss and cooperate, and jointly develop Indian market. In addition, our equipment in addition to India, Egypt, Vietnam, Indonesia, Turkey, Thailand, Russia, etc. have a large number of exports, welcome the cooperation of foreign trade companies.
