

## pick and place machinery,led light making machine,high speed pick and place machine ht-x9

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: China
- Brand Name: eton
- Certification: ccc,ce,sira
- Model Number: ht-x9
- Minimum Order Quantity: 1 unit
- Price: \$ 95,000 /unit
- Packaging Details: Waterproof material and wooden case
- Delivery Time: 30days
- Payment Terms: L/C, T/T
- Supply Ability: 80units per months

#### Product Specification

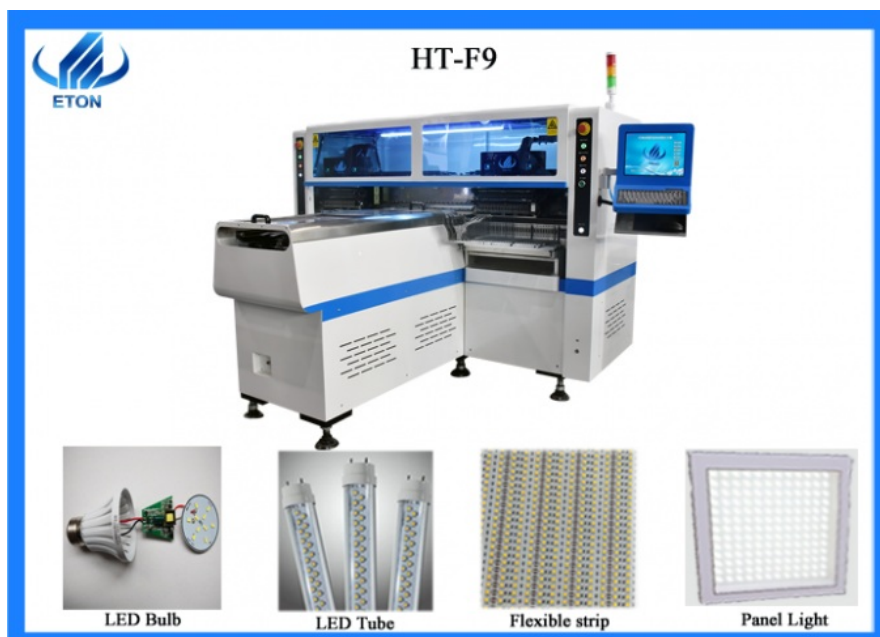

- Applicable Components: 0402, 0805, 0603, 1206, SOP
- Power Supply: 220V/110V, AC220V 50Hz / AC110V 60Hz, AC220V/110V 50Hz, 3-Phase AC 200/208/220/240/380/400/416 V +/-10%
- Product Name: Place Machine\ LED Mounter\LED Assembly Machine, Automatic SMT Mounting Shooter, SAMSUNG SM310 Pick And Place Machine, Yamaha SMT Pick And Place Machine, SMT Shooter Machine

## product details

HT-X9 is dual-arm magnetic levitation LED high speed pick and place machine.the capacity reach 200000CPH.It is Suitable for 0.5M,1M Strip, Tube and Panel Light.it can mount LED 3014/3020/3528/5050 and resistor,capacitors,bridge rectifiers,etc.

### technical parameter of smt mounter ht-x9

Model number	HT-X9
Dimension	2450*2100*1550mm
PCB size	250mm*any length
PCB thickness	0.5 1.5mm
PCB clamping	adjustable pressure pneumatic
mounting mode	group to take and group to mount
system	windows 7
display	touch screen monitor
input device	keyboard,mouse
NO.of camera	5 sets of imported camera
mounting precision	±0.02mm
mounting height	<13mm
mounting speed	200000CPH

components space	0.2mm
NO.of feedings station	64pcs
NO.of nozzles	64pcs
power	380AC 50HZ
power consumption	6KW
operating environment	23 ±3
conveyor transmission	any length
transmission speed	>500mm/sec
transmission direction	single(left→right,right→left)
transmission mode	online drive
position mode	optical
Air Force	0.5mpa
electrical control	independent research and development by ETON
motion control card module 1set	independent research and development by ETON
X.Y axis drive way	high-end magnetic linear motor+servo motor
feeding way	electric feeder with double motor

### product parts of pick and place machine ht-x9

Producing with 2 4 types of materials with high capacity at same time.  
Single plate material can be mounted, and the same plate material is always mounted on the same lamp.

Dual-arm four modules with 16 nozzles for each mounting part, and part A/B/C/D can be mounted separately or synchronously.

Calibration automatically.

Exclusive patent technology:group to pick and group to mount.

## Packing and transportation

The packing	vacuum packing and wooden case
The port	Shenzhen
The delivery	Delivery within 30 days after payment
The transport	Transshipment and partial shipment are negotiable

**packing  
&  
shipping**

## Company profile

In November 2011, Shenzhen ETON automation equipment co., Ltd. was established in Shenzhen, China. It is a national high-tech enterprise dedicated to the research and development, production, sales and after-sales technical service of SMT high-speed SMT mounter. Our management policy is sincere operation, concentrate on research and development, manufacturing, intimate service, customers rest assured. Our aim is to create value for customers and benefit for the society. We aspire to be the world's most competitive placement machine and cutting-edge electronic testing equipment manufacturing and service provider.

## business terms

Accepted delivery terms	EXW, FOB, CIF, CFR
Accepted payment currency	USD,CNY
Accepted payment type	L/C, T/T
Nearest port	Shenzhen

## our services

### Before buying our machine:

- We have a professional sales manager to provide you with professional advice and services.
- We provide 24-hour online service to solve your problem quickly.
- We will specify the production plan for you according to your budget.

### After buying our machine:

- 1 year free warranty.
- Visit customers regularly and gather information.
- Provide latest information about technology and equipment.
- Software updates are free for life.

## Our clients

the company has an absolute leading market share in the LED industry, and its products are exported to more than 20 countries including Korea, India, Vietnam, Tunisia, Egypt and Turkey.
