

High performance and high cost performance SMT PCB clean machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE , ISO , CCC
- Model Number: PCB Cleaning Machine
- Minimum Order Quantity: 1 unit
- Price: USD 800-7000
- Packaging Details: Vacuum wooden packing
- Delivery Time: 15-30 days
- Payment Terms: T/T
- Supply Ability: 50 Unit per month

Product Specification

- Dimension: L600mm*W980mm*H1200mm
- Substrate Size: Min:50*50mm Max:330*350mm
- Transfer Motor: Stepper Motor
- Transfer Speed: 0-17.5 M / Min
- Control: Mitsubishi PLC Control, Operation Panel For Display Control Touch Screen
- Transmission Direction: Single(left→right Or Right→left)
- Highlight: **LED Display Smt Mounter Machine,
Bulb Light Smt Mounter Machine**

Product Description

L600mm*W980mm*H1200mm PCB Cleaning Machine , ETON SMT Assembly Machine

Run mode

Cleaning line run mode also is varied, the cleaning machine according to the PCB after installing component can only clean side, the other side can not obvious, and the side that the characteristics of the drying, selection of unique chain form of jaw, and sports organizations are all made of stainless steel waterproof measures, aluminium alloy or other material, in the process of cleaning brush needs certain strength, in order to prevent the cleaning machine to travel also did the influence of technology improvement; This guarantees the high reliability of the cleaning line

Technical parameter

Dimension	L600mm*W980mm*H1200mm
Substrate size	min:50*50mm Max:330*350mm
Transfer motor	Stepper motor
Transfer speed	0-17.5 m / min
Control	Mitsubishi PLC control, operation panel for display control touch screen
Transmission Direction	Single(left→right or right→left)

Studio

Over the years, we have developed core competencies that warrant us to be the global leader in the industry: Customization , Short lead time , Flexibility , Customer Satisfaction , Premium Quality Products , Value For Money , International Distribution Network , Extensive Service Support.To maintain customer satisfaction through timely delivery of reliable products and servicesTo maintain an efficient and quality driven work environment with an emphasis on constant Research and Development to provide technologically superior products.To attract and retain quality personnel through an equitable reward system, constant training and upgrading of skills as well as career enhancement opportunities

After-sale Service

We will send our engineer to your factory to install machine and training freely.

We have service office in india,and have indian engineer in delhi and mumbai.Can support quickly.

Standard warranty is one year,during warranty,any parts need to be repaired and replaced will be free.
