

5 meters flexible chip mounter

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC CE SIRA
- Model Number: HT-T9
- Minimum Order Quantity: 1
- Packaging Details: wooden case
- Delivery Time: 30 days after pay
- Payment Terms: L/C, T/T
- Supply Ability: 50 set/month

Product Specification

- Brand: ETON
- Machine: Pick And Place Machine/SMT Machine
- Module: HT-T9
- Speed: 200000 Cph
- Warranty: One Year
- India Office: Delhi
- Highlight: **LED Display Smt Mounter Machine,
Bulb Light Smt Mounter Machine**

Product Description

5 meters flexible chip mounter

The placement machine is a device used to realize high-speed, high-precision, and automatic placement of components. It is related to the efficiency and accuracy of the SMT production line. It is the most critical equipment with the highest technical and stability requirements for the SMT production line. More than half of the investment in the production line, its development trend can be summarized by "three highs and four modernizations", namely high performance, high efficiency, high integration, flexibility, intelligence, greening and diversification.

Parameter of T9

Dimension : 3100*2300*1550mm
 PCB Length Width:250*any length
 Mounting mode: Group to take and group to mount.
 Software: R&D independently
 No.of Camera: 5 sets
 Components: LED 3014/3020/3528/5050 and resistor, capacitors, bridge rectifiers.
 No.of nozzles:68 pcs
 No.of Feeders: 68 pcs

LED Flexible strip machine

HT-T9 is highspeed pick and place machine for unlimited length flexible strip, it can producing with 2-4 types of materials with high capacity, available for 5m, 50m or any length of flexible strip and roll to roll.

For 25meters flexible strip

For 25 meters flexible strip, there need to prepare 25 meters conveyor , pick and place machine, stencil printer, reflow oven. There are the pictures of 25 meters smt line

Packing and delivery:

Our machine are packing in wooden case with vacuum package, it is once again fixed with rope and stand. The delivery is mainly by shipping, but, it is determined by customer. We will meet every need of customer.

Services

We provide one year warranty and free install and training.
