

## ETON HT-E8S 12 Nozzles 4kw 40000CPH SMT Mounting Machine

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC
- Model Number: HT-E8S
- Minimum Order Quantity: 1 set
- Price: 48000 usd
- Packaging Details: Wooden case
- Delivery Time: 4 weeks after payment
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 50 sets per month

#### Product Specification

- Warranty: 1 Year
- Weight: 1250 Kg
- Max Pcb: 1200\*350 Mm
- System: Windows 7
- Capacity: 40000 Cph
- Precision: 0.02 Mm
- Highlight: **HT-E8S SMT Mounting Machine, 4kw SMT Mounting Machine**

## Product Description

### ETON high precision Magnetic linear motor SMT pick and place machine

#### Four characteristics:

1. Min size : 0402 components
2. Flight recognition visual alignment to ensure placement accuracy
3. High-end magnetic levitation motor, integrated circuit to ensure speed
4. One system for unified control and automation

#### technical parameter:

|   |   |
|---|---|
| Small PCB                               | 100*100—1200*350  |
| Thin thickness                          | 0.5—5mm   |
| Smart PCB clamping                      | Adjustable pressure pneumatic   |
| Mounting mode                           | Group picking and separate placing<br>separate picking and separate placing |
| 2 sets of precision recognition cameras | Vision for the flight identification,<br>Mark correction                    |
| High precision                          | +/-0.02mm   |
| Mounting height                         | <36mm   |
| Mounting speed                          | 40000CPH  |
| Power consumption                       | 4kw   |
| Power                                   | 380AC,50HZ  |
| X,Y,Z Axis drive way                    | High-end magnetic linear motor+<br>Servo motor                              |
| No of feeders station                   | 36  |
| No of nozzles                           | 12  |

#### Application:

It is suitable for the production of circuit boards for a variety of products, such as mobile phones, computers and other electronic equipment, TV and air conditioners and other household appliances, light bulbs, LED and other lamps...

#### We also have other E series mounter machines for your reference!

|        | PCB                 | PCB thickness | Mounting speed | No. of feeders station | No. of nozzles | Mounting precision |
|--------|---------------------|---------------|----------------|------------------------|----------------|--------------------|
| HT-E5S | 500*350<br>100*100  | 0.5-3         | 40000CPH       | 36                     | 10             | 0.02               |
| HT-E5D | 500*300<br>100*100  | 0.5-3         | 80000CPH       | 72                     | 20             | 0.02               |
| HT-E8S | 1200*350<br>100*100 | 0.5-5         | 40000CPH       | 36                     | 10             | 0.02               |
| HT-E8D | 1200*300<br>100*100 | 0.5-5         | 80000CPH       | 48                     | 20             | 0.02               |

From E5S,E8S to E5D,E8D, we can see that we have always insisted on continuous innovation, and strive to pursue high speed, high productivity, high precision.

#### Double-layer packaging:

- Step 1: The plastic film adheres tightly to the package and is moisture-proof
- Step 2: The film and the film are fixed on the base of the board
- Step 3: Outer layer packaging
- Step 4: Transportation

**We promise:** our packaging fully conforms to international packaging standards. If the packaging is found to be damaged after receipt, and it affects the use of the machine, you can contact us as soon as possible. Our customer service is available 24 hours online for you!

#### Who are we?

We are ETON (SHEZHEN ETON AUTOMATION EQUIPMENT CO.,LTD.)

We have our own industrial park and R&D team, and set up subsidiaries in Hong Kong, Jiangxi and Shenzhen.

Goal: Create famous brand and build international Chinese enterprise

Core technology: high efficiency, high quality, high stability

Multiple patented technologies: 9 invention patents, 112 practical patents, 12 software

**Contact us:**
