

## SMT68 Nozzles 8kw 90000 Cph Pick And Place Machine

Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

### Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC
- Model Number: HT-E8D-1200
- Minimum Order Quantity: 1
- Packaging Details: Wooden case

### Product Specification

- Name: Pick And Place Smt Machine
- For: LED Lighting And Electrical Board
- Capacity: 90000 Cph
- Power Consumption: 8kw
- Warranty: 1 Year
- No.of Camera: 4 Sets
- Highlight: **8kw Pick And Place Machine,  
90000 Cph Pick And Place Machine,  
68 Nozzles SMT Mounting Machine**

## Product Description

### LED Lighting /LED Bulb SMT pick and place machine

#### LED Lighting making machine

LED lighting as the new green energy, it is very popular in all over the world. Led lighting making machine for all kinds of led lightings, such as led bulb, led tube, led lens, led panel, led display, led down-light, solar light, etc.

#### LED Lighting SMT Production line

LED lighting SMT Production line is using in led lighting manufacturing, SMT is short name of surface mounting technology; it is green technology than traditional making technology. Mainly include loader, conveyor, stencil printer, pick and place machine, reflow oven, etc.

Arrange SMT machine rightly, can save labor and space.

#### Dual module, high capacity

HT-E8D is dual module, which can make two products at the same time, so the capacity is higher than single module, reach 90000 CPH.

#### Parameter

Here are the main parameter about HT-E8D, if you want to have more information about this module, please contact us now !

Dimension: 3150*2900*1900 mm
Operating software: R&D
Camera: 4 sets of import cameras
Speed: 90000 CPH
Components: LED3014/3528/5050/5630, resistor, capacitor, ic, shaped component, etc
Application: LED tube, power driver, bulb, led display, lens, panel, street light,
Power consumption: 8 kw

#### Service

We support best service, with free install and training. One year warranty, and during warranty, any parts need to be repaired and replaced will be free.

### Package:

- Standard export vacuum waterproof package;
- Strong wooden package for ensure safely delivery of heavy and large equipment;

### Delivery:

- By air:for small package , worldwide express like DHL,UPS,Fedex,EMS...
- By sea, for large package and quantity;
- By railway or other ways as customer requested;
