

380AC 36MM Height 4kw SMD LED Mounting Machine RT-

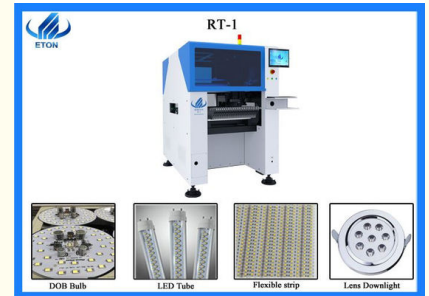

1

Our Product Introduction

for more products please visit us on smtmountingmachine.com

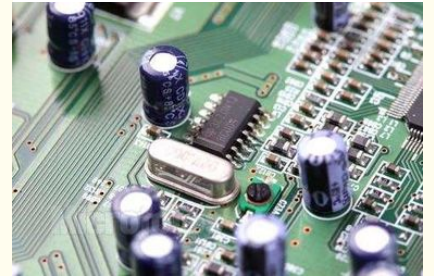

Basic Information

- Place of Origin: China
- Brand Name: Eton
- Certification: CE CCC ISO
- Model Number: RT-1
- Minimum Order Quantity: 1 unit
- Price: USD 35000~50000
- Packaging Details: Wooden box package
- Delivery Time: 30 work days
- Payment Terms: T/T

Product Specification

- Length: 1700MM
- Width: 1584MM
- Height: 1655MM
- Weight: 1000kg
- Power: 380AC 50Hz 4kw
- Components Space: 0.2mm
- Model: RT-1
- Function: Multi-functional
- Highlight: 4kw SMD LED Mounting Machine,
36MM Height SMD LED Mounting Machine,
380AC LED Pick and Place Machine

Product Description

Multi-functional SMD LED Mounting Machine RT-1 LED Pick and Place Machine

The features of RT-1

A new model pick and place machine of Eton company.

Designed for different types of PCB boards. Using newest high magnetic linear motor, so the speed and accuracy is better than normal multi-functional machines.

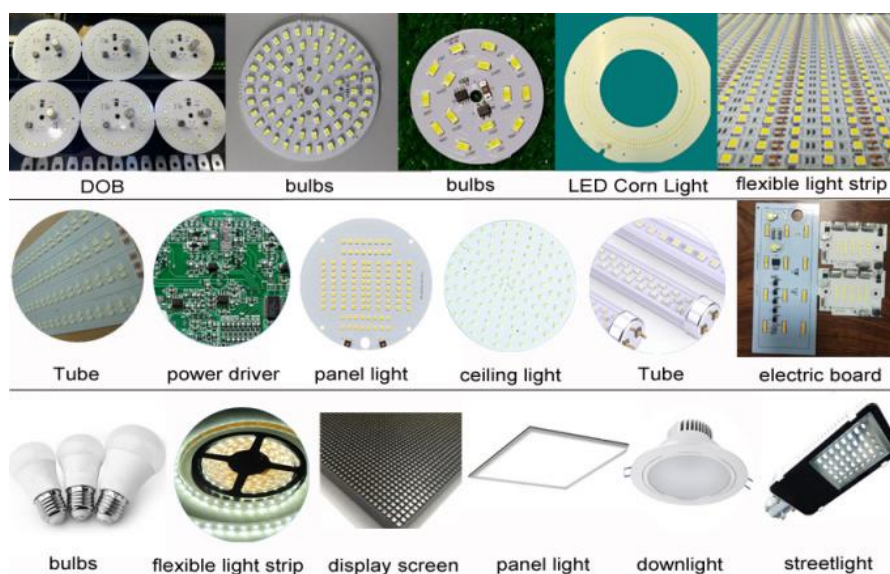

Can meet 0402 components, Max mounting height can be 36MM.

Suitable for various types of drives, power supplies, circuit boards, lenses, linear bulbs, home appliance control panels, etc.

A module machine so you can put this kind of machine in series for saving cost and increasing production (For the products with lots of materials).

What is SMT?

SMT (Surface Mounted Technology) is abbreviated as SMT, Chinese meaning surface mount technology. It is currently the most popular technology and process in the electronic assembly industry. It is a type of surface-mounted components with no leads or short leads (abbreviated as SMC / SMD, referred to as chip components in Chinese) mounted on the surface of a printed circuit board (PCB) or other substrates. Circuit assembly technology for welding and assembly by reflow soldering or dip soldering.

For SMT factory setup, we can do for you:

1. We provide full SMT solution for you
2. We provide core technology with our equipments
3. We provide the most professional tech service
4. We have wealthy experience on SMT factory setup
5. We can solve any question about SMT
