

PCB pick and place with hot sales high speed LED bulb with 35000 CPH

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC\CE\SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Supply Ability: 50 set per month

Product Specification

- Warranty: 1 Year
- Length: 1200mm
- Width: 1930mm
- Height: 1500mm
- Optimum: 30000-35000 CPH
- Feed Way: Electric Feeder With Double Motor
- Highlight: **1930mm Width Pick And Place Machine,
Pick And Place Machine 50*50mm Pcb,
35000CPH LED Linear Bulb Mounter**

Product Description

Introducing machine

The Machines are mounted in different ways:Group picking and separate placing,separate picking and separate placing.So Suitable for mounting different product : high components and small board products.

Product application

Components:LED,capacitor,resistor,shaped components.

Our machines can produce many different products:Bulb,street light,downlight,drive,etc

Technical Parameter

Technical parameter	
Dimension	1200*1930*1500mm
PCB size	MAX:400*350MM MIN:50*50MM
PCB clamping	Electric clamping
Mounting precision	±0.04mm
Mounting element height	≤22mm
Mounting speed	30000-35000 CPH
Feeding way	Electric feeder with double motor
No.of feeders station	32 PCS
No.of nozzles	10 PCS

Mounting Height

The mounting height of the multi-function machine can reach 22mm, so it is suitable for the mounting of shaped components

The structure of multi-function machine

Structure	Single arm
camera	2 cameras per module
The head space	18 mm ,can't be adjusted
The feeders station space	18 mm,can't be adjusted

Operate system

System:Windows 7

Software:R&D independently

Display:Touch screen monitor

Input Device:keyboard,mouse

Exclusive patented technology

Electronic feeder feeding system

Vision alignment flight identification ,mark correction

Auto-optimization after coordinates generated,etc.

Company information

ETON is the largest high-tech manufacturer in China with strong capability of design.And we have our own Industrial Park,which equipped with an advance processing and manufacturing center.

Certification of Company

We have obtained many certificates, the top brand company with CCC, CE, SIRA.

Date of delivery

Within 30 days after receiving the deposit.

Warranty:

Our standard warranty period is one year, during which parts can be replaced for an annual fee.

Kind of package

We use Vacuum packing and outer packing is wooden case packing

Type of transportation

Supporting Maritime transport, land transport and air transportation

FAQ

Q:Are you a manufacturer or trading company?

A:Our company integrated with R&D,manufacturing,sales and service.

Q:How is your service?

A :We will send our engineer to your factory to install machine and training freely.

Q:How can I withdraw the quality of your machine?

A:We have certificates of CE,quality management certificate,and rated as "2015 LED Technology Innovation Aware","Double soft enterprise".

Q:It's hard to use the machine?

A:Not at all.usually3 to 5 days is enough to learn to operate the machine.
