

LED SIRA 250000CPH Pick And Place Mounter 5mm Height

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-F9
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Supply Ability: 50 pcs per month

Product Specification

- Speed: 200000~250000CPH
- Size: 2700*2300*1550mm
- Name: HT-F9 Pick And Place Machine
- Weight: 1700kg
- Warranty: 1 Year
- Delivery: 15~30 Days
- Highlight: 250000CPH Pick And Place Mounter,
SIRA Pick And Place Mounter,
5mm Height LED SMT Mounter

Product Description

Production features

- 1.It can producing 4 types materials at the same time, capacity reach 200000 CPH.
- 2.It has high precision. Available for board with any proportion of LED chip and resister.
- 3.We have exclusive patent technology: Group to take and group to mount.

Production introduce

Our machine is very stable, the breakdown rate is less than 0.001. Machine is easy to operate, usually 3to 5 days training of operating is enough. The machine have 68 heads, four module. Very high speed, the speed is around 200000 to 250000 CPH. It is very suitable for tube, panel, flexible strip, ect.

Application area

HT-F9 SMT pick and place apply to the 0.6M,0.9M,1.2M rigid PCB and 0.5M,1M LED flexible strip. available for board with any proportion of LED chip and resister.

Thchnical paremeter

PCB Clamping	Adjustable pressure pneumatic
System	Windows 7
No. of Camera	5 PCS, Vision alignment, Mark correction
Mounting Precision	±0.02mm
Mounting element height	≤5mm
Operating Environment	23 ±3
Components Space	0.5mm
No. of nozzles	68 PCS
No. of Feeders Station	68 PCS
Feeding way	Electric feeder with double motor

Corporate information

ETON is the largest manufacturer of high speed pick and place machine. We start from 2011, around 10 years. We have around 50000 square meter industrial manufacturing part and around 300 person in company.

Exhibition information

Our company has a very strong strength, has been to India, Thailand, Pakistan, and other countries.

National exhibitions:

Transport

Support sea, land and air transportation.

After-sales service

we will send our engineer to your factory to install machine and training freely.

Can support quickly.

Standard warranty is one year, during warranty, any part need to be repaired and replaced will be free.

Packaging

Adopt vacuum packing, outer packing adopt wooden case.

FAQ

Q1:How is the breakdown rate of machine?

A1:our machine is very stable, the breakdown rate is less than 0.001.

Q2:Is your software interface in English?

A2:Yes, our machine have English interface and Chinese interface.

Q3:Machine is easy to operate?

A3:Of course, the machine is easy to operate, usually 3 to 5 days training of operating is enough.
