

Double Motor magnetic linear motor multi-functional with pick and place machine

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC,CE,SIRA
- Model Number: RT-2
- Minimum Order Quantity: 1 SET
- Packaging Details: Vacuum and wooden case
- Supply Ability: 50 SET/month

Product Specification

- PCB Max Size: 400*300mm
- PCB Thickness: 0.1-6mm
- Dimension: 1195*1930*1500mm
- Speed: 60000-70000 CPH
- System: Windows 7
- Software: R&D Independently
- Display: Touch Screen Monitor
- Input Device: Keyboard,Mouse
- Highlight: 6000cph LED Bulb Making Machine,
CCC LED Bulb Making Machine,
6mm PCB Pick And Place Machine

Product Description

SMT pick and place machine LED bulb making machine with high efficiency highspeed

Introducing machine of RT-2

This is a double module magnetic linear motor multifunctional pick and place machine. Its largest PCB board size is 400*300mm, suitable for mounting parts such as LED, capacitors, resistors, IC, shaped components (max:17mm,min:0.402).

Machine parameter

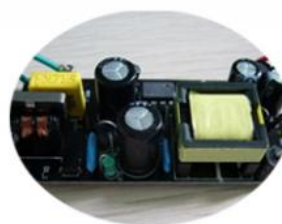

Length*width*height	1195*1930*1500mm
PCB length width	Max:400*300mm Min:50*50mm
PCB clamping	Electric clamping
Mounting Mode	Group picking and separate placing, separate picking and separate placing
Camera	4 PCS Vision alignment, Mark correct
Mounting precision	±0.04mm
Mounting element height	≤22mm
Feeding way	Electric feeder with double motor

Machine advantage

This is multifunctional machine RT-2 with double module, total 64 feeders station, each part 32 feeder station, total 20 head, each part 10 head. It is medium speed machine, the optimum speed is 60000--70000 CPH.

Application of machine

This machine RT-2 is suitable for a variety of products, such as bulbs, panel lights, drivers, downlights, DOB, etc.. The placement method of this machine is group picking and splitting, splitting and splitting, because each head is controlled by an independent motor.

Introducing company

Our ETON is the largest high-tech manufacturer in China with strong capability of design, R&D, manufacturing, sales and service. Rated as Shenzhen high-tech enterprise, China high-tech enterprise, Shenzhen TOP Brand, Industrial Special Contribution Award, etc. Our company ETON independently developed a number of intellectual property technologies.

Certification of ETON

Our company has obtained CCC, CE, SIRA certificates, and not only these, our company has successively won the National High-tech Enterprise, 2015 LED Technology Innovation Award, Industry Special Contribution Award and so on.

Shenzhen ETON Automation Equipment Co.,LTD

Who is your customers?

We have exported machine to different countries,such as India,Egypt,Korea,Turkey,Brazil,etc.
Such as FSL,ETI,KONKA,OPPLE,MLS are our client,in India such as RK,Surya,Skyquad are our client.

Packing details

We adopt vacuum and wooden case.

Payment,service and delivery

The payment method we support is T/T
The delivery is within 30 days after receiving the deposit!
There are 4 points for after-sales service, please see the picture below!

Service

1. Maintenance period :one year
2. Free installation and training
3. Visit clients regularly and gather information
4. Provide latest information about technology and equipment

Payment

We accept
TT payment

Delivery

Within 30 days after
receiving the deposit!

FAQ

Q:What is the delivery the warranty?

A:1 year warranty free for spare parts

Q:How about the after sales service?

A:We have professional after sales team,can solve your after-sales problems for you.

Q:Do you test before delivery?

A:Yes.we also test according to your requirement.

Q:What is the fastest speed of your machine?

A:The fastest speed can reach 70000 CPH.
