

## LED pick and place Machine hot sales smd mounting machine with good stable

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: TH-E8D-600
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Supply Ability: 50 set per month

#### Product Specification

- Dimension: 1950\*2250\*1650mm
- Optimum: 90000CPH
- System: Windows 7
- Display: R&D Independently
- Disply: Touch Screen
- Input Device: Keyboard,Mouse
- Highlight: **CCC LED Light Placement Machine,  
90000CPH LED Light Placement Machine,  
0.2mm Components LED Light Mounter**

## Product Description

### Multi-functional placement machine LED light machine with high accuracy

#### Introduce machine

The machine is highspeed placement mounter,the optimum reach 90000CPH

Component:Min.size 0402 Max.height 15mm

Mounting components:LED,capacitor,resistors,IC,shaped components,etc.

#### Application

Perfect placement of various drivers, power supplies, circuit boards, lenses, linear bulbs, home appliance control boards and other products

#### Main Technical Parameter

|                     |  |
|---------------------|--|
| Length*Width*Height | 1950*2250*1650mm   |
| PCB length width    | Max:600*350mm<br>Min:100*100mm   |
| Components          | LEDcapacitorsresistorsshaped component etc                               |
| PCB thickness       | 0.5-5mm  |
| Mounting Mode       | Group picking and separate placing,separate picking and separate placing |

#### Machine operate system

|              |                      |
|--------------|----------------------|
| System       | Windows 7            |
| Software     | R&D independently    |
| Display      | Touch screen monitor |
| Input device | keyboard and mouse   |

#### Machine vision system

|                    |   |
|--------------------|---|
| Camera             | 4 set<br>Vision for the flight identification,Mark correction |
| Mounting precision | $\pm 0.04\text{mm}$   |
| Components space   | 0.2mm   |
| Mounting speed     | 90000CPH  |

#### Certification of company

Our company ETON is the largest manufacturer of high speed pick and place machine.We start from 2011,around 8 years. As the leading brand of high-speed machine placement machines, ETON has an absolute leading position in the LED industry market share.

In the market,around 80% of large LED factory are our client.

Our company has an industrial park equipped with advanced processing and manufacturing centers

#### Certification of ETON

Our company has obtained CCC, CE, SIRA certificates, and not only these, our company has successively won the National High-tech Enterprise, 2015 LED Technology Innovation Award, Industry Special Contribution Award and so on.

## honour shows

## After sales service

### Our after-sales service

-  **Free Warranty:** 1 year warranty factory service
-  **Free Installation:** on-side free installation to ensure smooth production
-  **Free Training:** Professional training of operating and maintenance
-  **Free Technical Support:** 7\*24 technical online support
-  **Free Software Upgrade:** Offer free software upgrade whole lifetime.

### Warranty:

1 year. During the warranty, If something goes wrong with the machine, We can replace the parts for you free of charge.

### Way of packing:

vacuum packing and wooden cases

Step 1

Step 2

Step 3

**Remark**

The delivery period is within four weeks after receiving the deposit

Term of payment:30% depositing on the date of signing contract,70% payment before delivery.

Quotation in valid:30 days

**FAQ:****Q:Why your price is so high?**

A:Because our machine quality,accuracy and performance is better,different but better.

**Q:Is your software interface in English?**

A:English interface and Chinese interface are both available

**Q:4.How is your training?**

We will send our engineer to your factory to install machine and training freely.If client is India,we have service office in India,can support quickly.

**Q:What is terms of payment?**

A:30% deposit in advance and 70% payment before delivery.
