

SIRA 200000CPH Automatic Pick And Place Machine Magnetic Linear

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC\CE\SIRA
- Model Number: HT-F9
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden case
- Supply Ability: 50 set per month

Product Specification

- Specification: SMT Pick And Place Machine
- Quality: Top Quality
- Warranty: One Year
- Dimension: 2700*2300*1550mm
- Speed: 200000CPH
- Applicable Components: LED 3014/3020/5050/3528
- Highlight: **SIRA Automatic Pick And Place Machine,
200000CPH Automatic Pick And Place Machine,
Magnetic Linear LED Mounting Machine**

Product Description

Automatic pick and place machine magnetic linear LED high speed machine

Product Information

Model	HT-F9	
PCB	Max size	1200*300mm
	Min size	100*100mm
	Thickness	0.5-5mm
	clamping	Adjustable pressure pneumatic
Camera		5 PCS digital camera
Mounting precision		±0.02mm
Component space		0.5mm
Feeding way		Electric feeder with double motor
No.of nozzles		68 PCS
No. Of Feeder station		68 PCS

Main feature

- 1.Mounting Mode:Group to take and group to mount
- 2.Producing 4 types materials at the same time,capacity reach 200000 CPH
3. Four modules,each module is 17 heads,very highspeed

Application

The machine HT-F9 is highspeed pick and place machine,apply to the 0.6m,0.9m,1.2m rigid PCB and 0.5m,1m LED flexible strip,and component is LED 3014/3020/3528/5050 and resistor,capacitors,bridge rectifiers.

Company Profile

ETON is a leading manufacturer of automatic high-speed pick and place machine,which have more than 10 years of experience in the SMT machines field.Having more than 80% LED manufacturer are our partner in China.We also have our Industrial Park,the production process is further standardized.

Company five level management policy:sincere business,focus on R&D,manufacturing intentions,considerate service,customer trust.

ETON mission:professional,excellent technology,sharing the results

ETON goal:to create a national brand,build international Chinese enterprises

ETON's purpose:to create value for customers,creating benefits for society

ETON vision:determined to become the world's most competitive manufacturer and service provider of pick and place machine and high-end electronic testing equipment.

Company

ETON mission: professional, excellent technology, sharing the results

ETON goal: to create a national brand, build international Chinese enterprise.

ETON's purpose: to create value for customers, creating benefits for society.

ETON vision: Determined to become the world's most competitive manufacturer and service provide of pick and place machine and high-end electronic testing equipment.

Industry Park

Certification of Honor

After sales service

1. Training and installation are provided free of charge
2. Maintenance period: 1 year .
3. Visit customers regularly and gather information
4. Provide latest information about technology and equipment.

Way of packing:

All our export machine are packed in vacuum and wooden cases.

Logistics transportation

Our company Support land ,sea and air transportation.

FAQ

Q:How long is the time of delivery?

A:Generally,within 30 days after receiving the deposit.(the delivery period is one month)

Q:What is the terms of payment?What about the trade term?

A:T/T payment terms,we can support FOB Shenzhen.

Q:If I have no experience,The machine is easy to use?

A:Yes,our machine is designed to use easily,usually 3 to 5 days to learn how to operate.
