

Product Description

250000 CPH Led Pcb Assembly Machine Smt Device For Led Light

250000 CPH led pcb assembly machine/smt machine for led light

Product Description

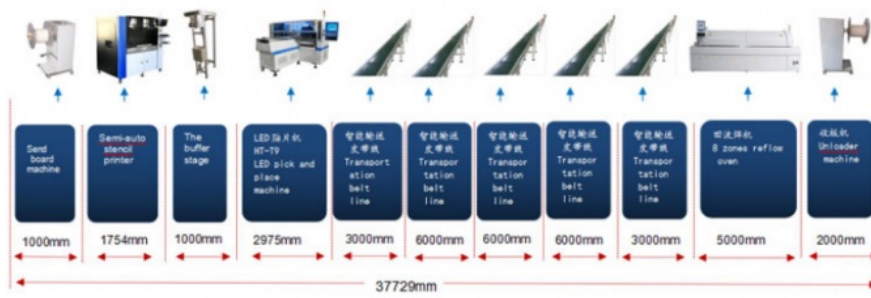

Dimension (L*W*H)	3100*2300*1550mm
Total weight	1700kg
PCB Length width	250mm*any length
PCB thickness	0.5-1.5mm
PCB clamping	Vacuum adsorption, cylinder splint, adjustable track width
No.of feeders station	68 PCS
No.of head	68 PCS
Mounting speed	250000 CPH
Components	LED3014/3020/3528/5050,Capacitance, resistance, bridge stack, etc
Operating environment	6 KW

1. Producing with 4 types materials same time with high capacity, available for 5M,50M,or any length flexible strip and Roll to Roll.
2. Dual arm four module,17 nozzles for each mounting part .There are 68 PCS feeders station and 68pcs heads.
3. Mounting speed reach 250000 CPH.
4. Calibration automatically, high precision,available for RGB.
5. suitable for any length flexible strip, this is a machine specializing in the production of flexible strips.

100 meters full automatic roll to roll production line layout

ETON - HT-T9 25m full automatic No-wire flexible strip Production Line

New technology --full automatic stencil printer for 100 meters strip light

Achieve 100m light belt automatic production of new breakthrough, reduce labor costs, improve production efficiency and production quality.

We can provide a whole production line for 5m,25m,50m flexible strip light,100m roll to roll. According to your needs, help you to design the production line plan.

SHENZHEN Office

ETON Industrial Park

50,000 square meters

7 buildings

300 employees

assembly line

CNC workshop

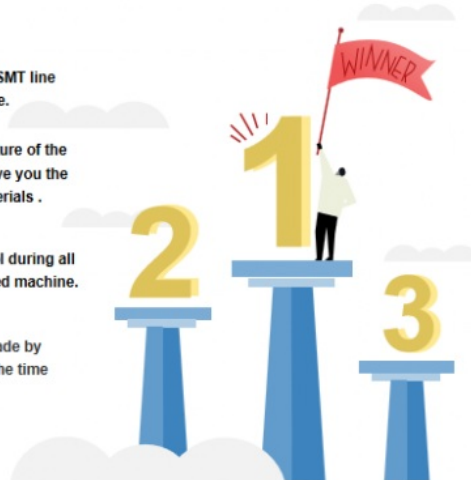

Production line Exhibition hall

20 Years professional experience of SMT
132 Patents, powerful R&D, technology pioneer
Full SMT line solution expert, Local service support Turkey, Egypt, Vietnam, India etc.
80% large and listed LED factory are our client
Top 1 in highspeed pick and place machine in China

ETON China SMT machine industry leader

Our advantage

-  **Efficient team:** The best suggestions of full SMT line equipment according to your budget and site.
-  **Competitive price:** We are directly manufacture of the ETON pick and place machine, so we can give you the best competitive price with high quality materials .
-  **High quality:** We have strictly quality control during all production from raw materials to the finished machine.
-  **High efficiency :** All machines parts are made by ourselves, so it' s convenient to control the time schedule and quality timely.

SHENZHEN ETON AUTOMATION EQUIPMENT CO., LTD

FULL SMT SOLUTION EXPERT

INSPIRE THE FUTURE

Web: www.etonmtmachine.com

Q1: Are you a trade company or manufacturer?

A: Full SMT machines manufacturer for smt line in China; OEM & ODM service are available.

Q2: What is your payment terms?

A: 30% deposit in advance and 70% balance before shipment.

Q3: How do you guarantee the quality of your products?

A: Our products have CCC, CE, SRIA certification; We will check all the performance of the machine before shipment. During warranty, any parts need to be repaired or replaced will be free. We will take the responsibility of the machines from A to Z.

Q4: Do you provide software updates?

A: Free upgrade software, software is independent research and development by ETON , so we support lifelong free upgrade update.
