

450000 CPH LED Mounting Machine SIRA Multifunctional 28 Heads

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: eton
- Certification: CE CCC SIRA
- Model Number: E8S-600
- Minimum Order Quantity: 1 set
- Packaging Details: wooden cases, vacuum packed
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets a month

Product Specification

- PCB Length Width: Max:600*500mm Min:100*100mm
- PCB Thickness: 0.5-5mm
- PCB Clamping: Adjustable Pressure Pneumatic
- Mounting Mode: Group Picking And Separately Placing, separately Picking And Separately Placing
- Software: R&D Independently
- Mounting Speed: 45000CPH
- No.of Feeders Station: 28 PCS Single Module
- No.of Nozzles: 12 PCS Single Module
- Highlight: 450000 CPH LED Mounting Machine, SIRA Multifunctional LED Mounting Machine, 28 Heads Smt Mounter Machine

Product Description

450000 CPH Multi-functional machine 28 heads pick and place machine

1.Introduction of product

Single module magnetic linear motor multifunctional pick and place machine.

Mounting components: LED chip,capacitors,resistors,lens,IC,shaped components,etc.

It has 2PCS cameras.

The max size is 600*500mm, the min size is 100*100mm.(Vision for the flight identification, mark correction)

2.Features

Mounting components: LED chip,capacitors,resistors,lens,IC,shaped components,etc.

Component: Min. Size 0402 Max. height 15mm.

Application: Power driver. Electric board. Lens.DOB bulb. Linear bulb. Household appliance etc.

Electronic feeder feeding system

Vision alignment flight identification, Mark correction

Non-stop material re-loading function

Auto-optimization after coordinates generated, etc.

It has 28 PCS single module feeders station.

Its speed can reach 45000CPH.

3.Machine parameter

E8S-600		
PCB	PCB length width	Max:600*500mm Min:100*100mm
	PCB thickness	0.5-5mm
	PCB clamping	Adjustable pressure pneumatic
	Mounting mode	Group picking and separately placing,separately picking and separately placing
O.S.	System	Windows 7
	software	R&D independently
Vision system	No. Of camera	2 sets of imported camera (Vision alignment ,mark correction)
	Mounting speed	45000CPH
	Electrical control	Independent research and development by ETON
Feeding system	No. Of feeders stations	28 PCS single module
	No. Of nozzles	12 PCS single module

4.Product application

E8S-600 pick and place machine

5. Company introduction, certificate

Shenzhen Eton Automation Equipment Co., Ltd is a national high-tech enterprise which specializes in automatic high-speed SMT pick and place machines for costumers, combining R&D, production, sales and service as one. Rapidly evolving market forces driving towards energy efficiency and eco-friendly, alone with exciting technological advances, are driving the evolution of the lighting industry forward, providing greater opportunities and growing challenges.

We are biggest SMT manufacturer in China
professional SMT equipment manufacturer
Over 10 years experience
112 practical patents
12 software copyrights

Some customers' production workshops are available for reference and understanding, we will provide different wiring schemes according to customer needs.

At present, as for the series "HT" high-speed and multi-functional machine, speed is the world's fastest. "Speed" and "Stability" are the core competencies of ETON, technology innovation and strict quality management principles coupled with excellent service, to enable us provide better professional full SMT solution continuously and create superior value for our customers.

6.Package and delivery

7.Service

Pre-sale service

Provide suitable production plan
Advise on plant electrical equipment and layout

Sale service

Report machine status in time
Follow up and send test machine video

After-sales service

Engineers can arrive on site to teach operation and debug the machine
24 hours to deal with problems online, arrange engineers to solve problems
Software lifetime upgrade
Regular visit (one year warranty period, spare parts repair free; Once or twice a year after warranty)

8.FAQ

(1)What machine can I buy from you?

We can provide a product line of SMT. Such as Multi-function placement machine, high-speed placement machine, dispensing machine, loading machine, printing machine, reflow soldering, etc.

(2)Do you have any customers in India?

Yes, we have many big clients in India, Turkey, Egypt and others.

(3)Are you a reliable cooperator?

Yes, we specialized in SMT parts over more 10 years in Shenzhen China. We participated in many exhibitions in abroad and domestic. We have a more 50000 industrial park, total 7 building and 300-500 employees. We obtain a number of intellectual property technologies, including 9 invention patents, 112 practical patents, 12 software copyrights. And our high speed machines' speed can reach 250000CPH, broken the world record.

(4) what's the minimum quantity of an order for your company?

1 set machine are welcomed to order, mixed orders are also welcomed.

(5)Can you provide a whole line solution?

Yes, we can, we can supply SMT line and some LED production lines.
