

DOB Bulb LED Mounting Machine 10 Heads 2 Camera 40000CPH

Our Product Introduction

for more products please visit us on smtmountingmachine.com

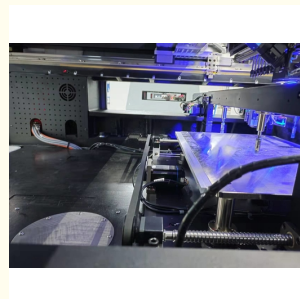

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 Set
- Packaging Details: wooden box with vacuum package
- Delivery Time: 30 days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Dimention(mm): 1200*1930*1500
- Total Weight: 2000kg
- PCB Length Width: MAX:450mm*350mm MIN:80*80mm
- PCB Thickness: 0.1-6mm (if 0.6mm Need Jig)
- Mounting Precision: ± 0.04 mm
- Mounting Speed: 40000CPH
- No.of.feeders System: 32PCS
- No.of .head: 10PCS
- Components: LED Chip, Capacitors, Resistors, IC, Shaped Componets. Etc.
- Feeding Way: Electric Feeder With Double Motor.
- Highlight: **DOB Bulb LED Mounting Machine,
10 Heads LED Mounting Machine,
40000CPH Pcb Mounting Machine**

Product Description

LED DOB bulb 10 placement heads 2 camera wide use Pick And Place Machine

SMT multifunctional placement machine feature:

The structure of the multi-function placement machine mostly adopts the arch structure, which has the characteristics of high precision and good flexibility.
Can accept all the material packaging methods, such as tape and reel, tube, box and reel.
In addition, when there are many materials in the tray, a multi-layer special tray feeder can be installed.
Most of the multi-function placement machines adopt the circuit board fixed type, and use the movement of the placement head to achieve X and y positioning, and will not cause large or heavy components to shift due to inertia due to the movement of the table.

PRODUCTION INTRODUCTION

Advantage:

One placement head one servo motor, pick components and place components have high speed and correct.
Identification of various complex components. inductors, capacity, terminals, resostors, diodes.....
RGB components can mount, high precious. can mount**0402**.
Feeder feeding system ,vision system, obtain exclusive patented technology.

Our Product Introduction

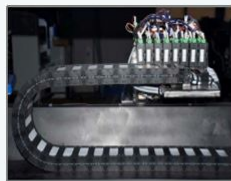

XYZ drive way by **high-end** magnetic linear motor and servo motor.

Economical Pick and Place Machine

RT-1

Pcb size: 80*80-450*350mm
 Placement head: 10 pcs
 Mounting speed: 40000 CPH
 Dimension: 1200*1930*1500mm
 Application: LED bulb, DOB bulb,
 Panels, downlight, dispaly, etc.

Drag chain

Imported from Germany IGUS

Mark camera

Hikvision brand from China top one

Guide rail

Imported from Japan THK

Technical parameter

Model	RT-1
Mounting mode	Group picking and separately placing ;separately picking and separately placing
Total weight	2000kg
No.of camera	2PCS
PCB SIZE	80*80-450*350mm
No.of head	32PCS
Mounting speed	40000CPH
No.of camera	2PCS,vision alignment, mark correction

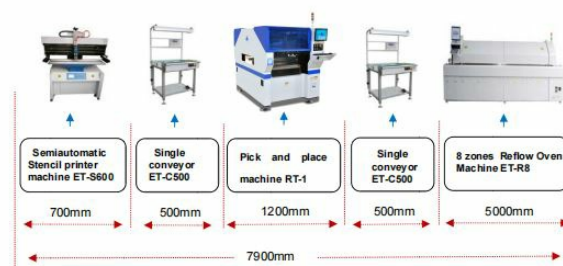

SMT LINE SOLUTION

Save the cost, RT-1 semi automatic SMT production line.

Shenzhen Eton Automation Equipment CO. , LTD.

ETON - RT-1 Semi-automatic Production Line

Our Company

ETON is the leader manufacturer of **SMT equipment** in China with over **10 years** experience.

Jiangxi Industrial Park, It has own industrial park, which has 7 building covering an area of more than square meters.
Got large more than **80%** big led lighting industry market,
We have professional technicians from Japan, South Korea, the United States, Hong Kong, etc.

Our products are exported to more than **20 countries**.

ETON professional SMT manufacturer

China Top 1.

Full SMT solution

Fastest machine 250000CPH

Customer's Factory

FAQ

Q:
How to operate the machine?

A:
We have online support, free training, local service (India, Egypt, Tunisia, etc).

Q:

I want to produce led display, does your machine suitable for produce this product?

A:

we could provide whole SMT Line for led display manufacturing, include stencil printer machine, pick and place machine, reflow oven machine, conveyor machine, etc

Q:

What is this machine warranty ? And how about the after sales service?

A:

We can provide technical support abroad. If you have any technical problems, our engineers will provide you with timely support. Abroad, we have India office, Indian engineer, Jerusalem office, engineer, Egyptian engineer, etc.

Q:

Does your machines have quality certificates?

A:

We are high-tech enterprise with CE, SIRA, CCC , ISO awarded as "Well-know brand" and many technology patents,

Q:

Choose which mode of transportation?

A:

Our modes of transportation are flexible, including water, land and air transportation.
