

Dual Arm Led Flexible Strip Mounter 68 Heads 250000 CPH SMT Chip Mounter

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: HT-T9
- Minimum Order Quantity: 1 sets
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Size: 3100*2300*1550mm
- Weight: 1700kg
- PCB Leight Width: 250*any Length
- Mounting Speed: 200000~250000 CPH
- Head: 68 Pcs
- Warranty: 1 Year
- Highlight: Dual Arm Led Flexible Strip Mounter,
68 Heads Led Flexible Strip Mounter,
250000 CPH SMT Chip Mounter

Product Description

Dual arm four module Led flexible strip 68 heads250000 CPH highspeed pick and place machine

1.product introduction:

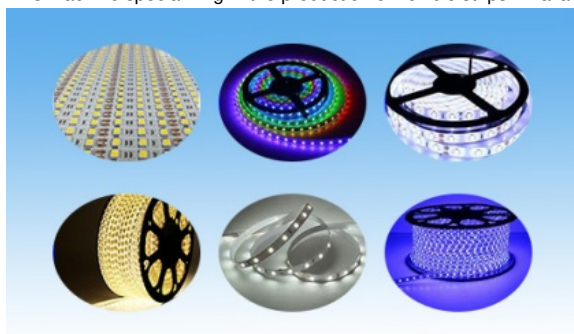

- (1)Producing with Producing 4 types materials at the same time with high capacity, available for 5M, 50M or any length of Flexible strip and Roll to roll.
- (2)Dual arm four module, 17 nozzles for each mounting part, part A or part B can be mounted separately or synchronously.
- (3)Calibration automatically, high precision, available for RGB.
- (4)Exclusive patent technology: Group to pick and group to mount.
- (5)Mounting speed reached 250000CPH.

2.Machine technical parameter:

Model	HT-T9
Dimension(L*W*H)	3100*2300*1550mm
Weight	1700kg
PCB length width	250mm*any length
PCB thickness	0.5~1.5mm
Mounting mode	Group to picking and group to mount
Mounting height	≤5mm
Mounting speed	200000~250000CPH
Power consumption	6KW
No. Of feeders station	68 PCS
No. Of head	68 PCS

3.Application:

This machine specializing in the production of flexible strips. Available for 5m, 50m or any length of Flexible strip and Roll to Roll.

4.Company profile:

Shenzhen ETON Automation Equipment Co.,Ltd.Was founded in 2011. It is a manufacturing and process solution provider focusing on R&D, production, sales and service of SMT high-speed pick and place machines and SMT peripheral automation equipment.,

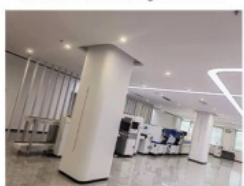

- (1)Experience: It has more than ten years of research and development experience and LED industry service experience.
- (2)Industrial park: With an industrial park of 50,000 square meters, focusing on the R&D and production of the SMT industry.
- (3)Large market: South Korea, India, Vietnam, Tunisia, Egypt, Turkey, Russia, Brazil more than 20 countries.

5.Certificate of honor:

We have obtained 9 invention patents, 112 practical patents, 12 software copyrights. We are high-tech enterprise, with CCC, SIRA, CE. and rated as "Shenzhen high-tech enterprise" "China high-tech enterprise" "Shenzhen top brand" "2015 LED Technology innovation Award" "The 4th China LED First Innovation Award" "Industry Special Contribution Award" "Double soft enterprise" etc.

6.Packing:

All machines are packed with vacuum and wooden packing like the one in the pictures.

Step 1. Film packaging

Prevent the machine from dust ,water,crash and shaking.

Step 2. Add foam+film packaging

Double safe protection,Prevent the machine from crash and shaking.

Step 3. Unique tin foil packaging

Add tin foil packing can prevent the film from scratch broken.

Step 4. customized Strong wood carton packing

The customized strong wood packing for ocean ship,The machines are fix oi in the wood carton, effectively prevent collision and shock.

7.Our service:

- 1.Free Warranty: one year warranty factory services.
- 2.Free installation:on-site free installation to ensure smooth production.
3. We can configure the production line for you according to your product requirements.
4. Free Software Upgrade.
5. Free t Technical Training.

8.FAQ:

(1). How about the Training?

We provide the online remote training service, and we will offer you the operating video and manual for user's repeatedly learning.

(2).How about the After-sale Service?

We provide one year warranty, during the warranty period, if any wrong, we will send the accessories free of charge.

(3).why choose us?

ETON is the famous brand for pick and place machine. We have decades experience in this field. 80% larger and listed led factory are our client and occupied a vast foreign LED market.

(4).Which language is the software? Can you provide software updates?

English and Chinese is OK. Free to upgrade software for lifetime.

(5). Can we customize the machine?

Of course. All of our machine can be customized.
