

0.5mm Components Pick And Place Machine Vacuum Adsorption With 68 Heads

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: eton
- Certification: CCC CE SRIA
- Model Number: T9
- Minimum Order Quantity: 1 set
- Packaging Details: wooden cases, vacuum packed
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets a month

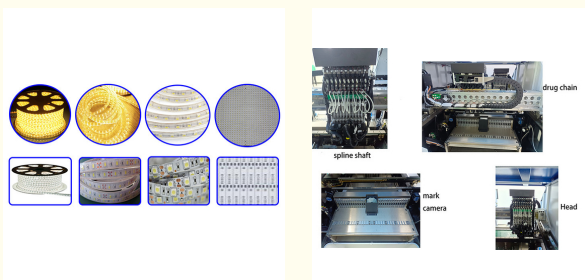

Product Specification

- Warranty: 1 Year
- Mounting Speed: 200000-250000CPH
- Feeders Station: 68PCS
- Pcb Thickness: 0.5-1.5mm
- PCB Length Width: 250*any Length
- PCB Clamping: Vacuum Adsorption, Cylinder Splint, Adjustable Track Width
- Mounting Mode: Group Picking And Group Placing
- Components Space: 0.5mm
- Highlight: **0.5mm Components Pick And Place Machine, Vacuum Adsorption Pick And Place Machine, 68 Heads Smt Mounter Machine**

Product Description

high speed multi-functional Full-Automatic with 68 Heads Pick And Place Machine

1. Introduction of product

- Dual arm magnetic linear high-speed mounter for flexible strip(no wire), producing 4 types materials at the same time capacity reach 250000CHP, available for 5M,50M, or any length of flexible strip and roll to roll.
- Dual arm four module, 17 nozzles for each mounting part, part A or part B can be mounted separately or synchronously.
- The PCB size is 250*any length.
- It has 68 PCS feeders station.
- Vacuum adsorption, cylinder splint, adjustable track width.

2. Features

Producing with 4 types materials at the same time with high capacity, available for 5 M, 50M or any length of flexible strip and roll to roll.

Dual arm four module, 17 nozzles for each mounting part, part A or part B can be mounted separately or synchronously.

Calibration automatically, high precision, available for RGB.

Exclusive patent technology:group to pick and group to mount.

The speed can reach 250000CPH.

It has 5 PCS cameras to work.

3. Machine parameter

T9		
PCB	PCB length width	250mm*any length
	PCB clamping	Vacuum adsorption, cylinder splint, adjustable track width
	PCB thickness	0.5-1.5mm
	Mounting mode	Group picking and group placing
Vision system	No.of camera	5 sets(vision alignment, mark correction)
	Repeat mounting precision	±0.02mm
	Mounting height	≤5mm
	No.of feeder station	68PCS
	No.of nozzles	68PCS
	Air supply	0.4-0.6mpa 150N/Min
	Mounting speed	200000-250000CPH
	components	LED3014/3020/3528/5050 and resistor, capacitors, bridge rectifiers, etc.

4. Product application

T9 pick and place machine

Dual arm four module,
17 nozzles for each
mounting part, part A or
part B can be mounted
separately or synchronously.

5. Company introduction, exhibition, certificate

Company

Partial Partners

Our Certification

ETON

• 9 Invention Patents

• 12 Software Patents

• 112 Practical Patents

6. Package and delivery

Package and delivery

7. Service

Engineers available to service machinery overseas

we will have a good check and a test before shipping out.

24 hours technical support by email or Skype or Trade Mangager or Calling.

Regular visit (one year warranty period, spare parts repair free; Once or twice a year after warranty)

8. FAQ

1. Do you have any customers in India?

Yes, we have many big clients in India, Turkey, Egypt and others.

2. Does the price include the spare parts(feeder and nozzle)?

Different clients has different requirements on spare parts, it is not fair to the clients to add in equivalent price for spare parts. So we don't add the spare parts cost on price, and price is only for machine.

3. Are you a reliable cooperator?

Yes, we specialized in SMT parts over more 10 years in Shenzhen China. We participated in many exhibitions in abroad and domestic. We have a more 50000 industrial park, total 7 building and 300-500 employees. We obtain a number of intellectual property technologies, including 9 invention patents, 112 practical patents, 12 software copyrights. And our high speed machines' speed can reach 250000CPH, broken the world record.

4. This is the first time I use this kind of machine, is it easy to operate?

It is easy to operate, the language of the machine is English, and we will teach you the basic operation.

If you still have any questions, please contact us by e-mail, WeChat, phone, Skype or other contact information.

5. What's the terms of payment? What about the trade term?

T/T, L/C are OK. 30% pay in advance, the balance before shipment. You can choose EXW Shenzhen.
