5w/6w/12w/20w LED bulb panel light DOB mounting machine

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: RT-2

Product Specification

- Machine Name: Led Bulb Mounting Machine
- Machine Appliance: Led Lighting Industry
- Machine Quality: 100% Test
- Machine Speed: 80000 Cph

for more products please visit us on smtmountingmachine.com

Product Description

DOB Bulb Mounting machine

Machine features

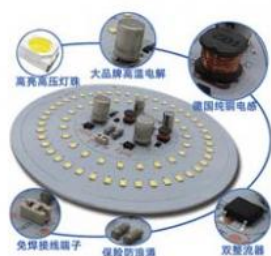

1. This module RT-2 is our newest module with high mounting speed
2. RT-2 is using high-end magnetic linear motor, it is high precision with longer machine life
3. RT-2 producing two products at the same time, could save the cost/space/labor of SMT Line
4. RT-2 is widely application, it is very suitable for small PCB Board products, like the DOB bulb, Driver power, led display, down-light, Panel light, etc

Parameter of pick and place machine

No.	Main part	Parameter
1	Machine dimension	1200*1930*1500 mm
2	Machine weight	2500 kg
3	Machine mounting heads number	20 pcs
4	Machine feeder station number	64 pcs
5	Machine mounting speed	80000 cph
6	Machine power	AC 380V
7	Machine camera	4 sets of camera

After sales service

We promise one year warranty of machine, during warranty, any parts need to be repaired and replaced will be free. Also we will sent engineer to your factory for free machine install and training.

Newest Model: RT-2
Two mounting heads
80000 CPH

RFQ

1. Is this machine suitable for manufacturing DOB bulb?
A: Yes, this module RT-2 is very intelligent and suitable for different kind of dob products
2. How about machine warranty ?
A: Machine warranty is 1 year
3. What is the function of pick and place machine?
A: The function of pick and place machine in mounting components on the pcb
4. What is the Delivery days of 2 units of pick and place machine ?
A: The normal delivery time is 15-25 working days
5. Could I have your engineer visit after I purchased your machine ?
A: Yes, we will sent engineer to your factory for machine install and training
