

10 PCS placement head 42 feeder station Led light smt line pick and place machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 Set
- Packaging Details: wooden box with vacuum package
- Delivery Time: 30 days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

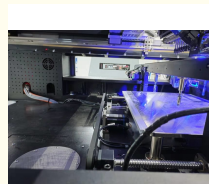

Product Specification

- Dimention(mm): 1200*1930*1500
- Total Weight: 2000kg
- PCB Length Width: MAX:450mm*350mm MIN:80*80mm
- PCB Thickness: 0.1-6mm (if 0.6mm Need Jig)
- Mounting Precision: ± 0.04 mm
- Mounting Speed: 40000CPH
- No.of.feeders System: 42PCS
- No.of .head: 10PCS
- Components: LED Chip, Capacitors, Resistors, IC, Shaped Componets. Etc.
- Feeding Way: Electric Feeder With Double Motor.

Product Description

10 PCS placement head 42 feeder station Led light smt line pick and place machine

In the smt production line, it is configured after the glue dispenser or solder paste printer, and is a kind of equipment that **accurately** places the surface mount components on the PCB pads by moving the **placement head**.

Production Details

Omnidirectional mounting components on PCB board.

Application: SMT machine, Mass production, high quality production.

High performance: cause magnetic linear motor, servo motor, system of feed system and replenishment system.

The machine Parts, most of produce by ourself.(ETON)

Our Product Introduction

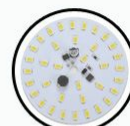

ETON NEW Design Mounter

RT-1

1. PCB

2. PCBA

3. Finished Product LED bulb

More Details for machine parameter

Model	RT-1
PCB size	80*80-450*350mm
Suitable for Componets	Capacitors, LED chip, resistor, shaped components...
Software	ETON R&D
XYZ Axis drive way	servo-motor, High-end magnetic linear motor
Placement head	10PCS
Dimension	1200*1930*1500mm
Power consumption	4KW
Components space	0.2mm

Advantage for machine parts

DRAG CHAIN

Imported from Germany IGUS

It has low noise, wear resistance, and high-speed movement.

GRATING SCALE

Imported from UK RENISHAW

High accuracy of processing data, error compensation function, accurate positioning

THE ELECTROMAGNETIC VALVE

Imported from UK RENISHAW

High accuracy of processing data, error compensation function, accurate positioning

Application & Service

ETON Machine can use for **led filed**, household appliance, electric board....., The machine have high quality and high capacity by **industry park**, many machine **in stock**.

This model of **RT-1** is **best seller** machine, very intellegent and economic, apply for many small pcb board. very popluar in Tunisia, Egypt, Inida, Turkey, Vietnam.....

We provide **One-stop** sevice: Pre-sale, On sale, After sale. For example: Free install, local office, smt production line.....

LED Bulb

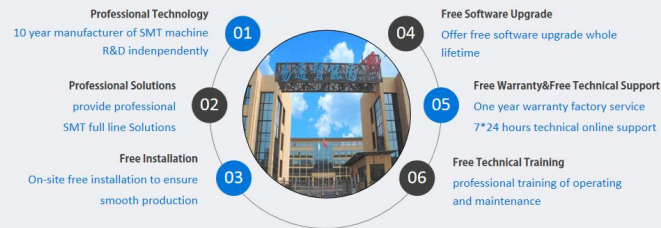

LED Display

Driver

LED Bulb

Company Profile

New bigger **industrial park**, over 50000 square meter. 7 building in there.

Rich experience and professional **R&D** department. provide high quality for the machines.

Certification: 9 invention and 112 practical patents, 12 software copyrights.

Competitive price: Directly manufacture of the SMT machine by ourself , so we can get the best price .

ETON R&D super high speed pick and place machine, **250000 CPH**, fastest in all over the world.

ETON professional SMT manufacturer

China Top 1.

Full SMT solution

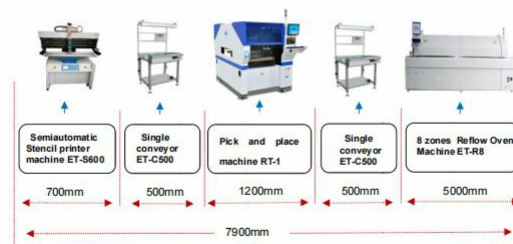

Fastest machine 250000CPH

SMT production line solution for RT-1

Shenzhen Eton Automation Equipment CO. , LTD.

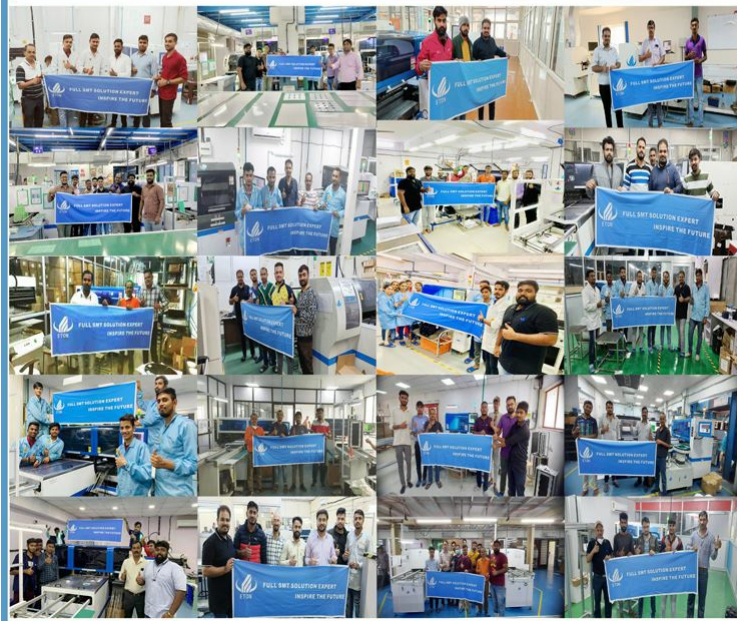

ETON - RT-1 Semi-automatic Production Line

Show Customer's factory

FULL SMT SOLUTION EXPERT
INSPIRE THE FUTURE

FAQ

Q: How is the warranty?

A: The complete machine has a warranty period of 12 months from delivery and lifetime maintenance service.

Q: Does your machines have quality certificates?

A: We are high-tech enterprise with CE, SIRA, CCC, ISO awarded as "Well-know brand" and many technology patents, and have rich experience (more than 10 years) in LED light production line program.

Q: Are you a trade company or a manufacturer?

A: We are an professional manufacturer specialized in Screen Printer, SMT Machine, Pick and Place Machine, Reflow Oven, SMT Production line and other SMT Products.

Q: What is your payment terms?

A: 100% payment before delivery or 50% deposit in advance and the rest before shipment.

Q: How is the training?

A: After purchasing our machines, you can send your engineers to our factory, or we send our engineers to your factory, and then we will train your personnel to operate these machines. Online training and video tutorials. During the epidemic, if our engineers can't make it through, we also have special one-on-one online training and video tutorials.
