

High accuracy mounting for led tube, bulb light capacity reach 40000 cph SMT mounter machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: Eton
- Certification: CE,CCC,SRIA
- Model Number: RT-1
- Minimum Order Quantity: 1 set
- Packaging Details: taking vacuum package with wooden boxes, also the accessories of the feeders and other spare parts use cartons to equip with the wooden boxes with the machine.
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Condition: New
- Mounting Speed: 40000 CPH
- No. Of Camera: 2 PCS
- PCB Thickness: 0.1-6mm (if <0.6mm Need Jig)
- Components Space: 0.2mm
- Mounting Precision: $\pm 0.04\text{mm}$
- No. Of Head: 10 PCS

Product Description

High accuracy mounting for led tube, bulb light capacity reach 40000 cph SMT mounter machine

Production introduction

RT-1 multifunctional pick and place machine with single module, mounting mode is group picking and separately placing, separately picking and separately placing, with 40000 CPH capacity, 32 PCS feeders station and 10 PCS of head.

Features

Magnetic linear motor multifunctional pick and place machine

Mounting components: LED chip, capacitors, resistors, IC, shaped components, etc.

Exclusive patented technology

Electronic feeder feeding system

Vision alignment flight identification, Mark correction

Auto-optimization after coordinates generated, etc

Machine parameter

| | |
|--------------------|---|
| Model | RT-1 |
| No. Of camera | 2 PCS |
| PCB length width | Max: 450*350mm (Non-omnidirectional 610*350mm) Min: 80*80mm |
| PCB thickness | 0.1-6mm (if <0.6mm need jig) |
| PCB clamping | pneumatic |
| Components space | 0.2mm |
| Mounting precision | ±0.04mm |
| Mounting speed | 40000 CPH |
| No. of head | 10 PCS |

Product application

Street light

Panel light

Down light

Ceiling lamp

Wall wash lamp

Guardrail pipe

LED bulb

Spotlight

Company profile

Eton was founded in 2011, and is keeping on the manufacture of research and development within a 50000 square meters industrial park for the development of the machine. Eton automation equipment company is a leading manufacturer in SMT machine for LED products which accounted to 80% market.

Advantages:

Have been in SMT line for more than 10 years experiences.

Have a 50000 square meters industrial park in Jiangxi province.

Provide a whole production line for SMT machine.

Free installation and teach with professional engineers in some countries, such as India and Egypt.

Packing and delivery

Our package of the machine is taking vacuum package with wooden boxes, also the accessories of the feeders and other spare parts use cartons to equip with the wooden boxes with the machine.

Our services

Provide a whole production line

Within the warranty period, any problems of the machine, or the replacement of accessories is free to solve

After the warranty period, every year we will arrange engineers to check or online operating the machine 1-2 times freely

Enjoy a free up grade of the machine

OUR SERVICES

FAQ

Q1. How can I look around your industrial park if I am on aboard?

A1. If you have Chinese agent we can make an appointment to show you the environment, of course we also can make video call to show you the industrial park, or we will do some video to you if you need.

Q2. Can you accept CFI as the quoted price?

A2. We only accept EXW as the quoted price.

Q3. How was your services?

A3. We ensure our clients to enjoy an optimal experience of the service of communication and relevant needs of the machine for installation, maintenance and free up- grade.

Q4. Can you accept D/P or D/A as the payment term?

A4. For our regular payment terms, we usually use T/T.

Q5. Whether you have professional engineers for installation of the machine in India?

A5. Yes, we have professional engineers in India to provide considerable service to our clients.
