

windows 7 6KW XY AXIS 68 feeders high precision LED mounting machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC,SIRA,CE
- Model Number: HT-F9
- Minimum Order Quantity: 1PCS
- Packaging Details: We use vacuum wooden box packaging
- Delivery Time: 5-8days
- Payment Terms: L/C, T/T
- Supply Ability: 50pcs/month

Product Specification

- Diension(L*W*H): 2700*2300*1550mm
- Total Weight: 1700kg
- Software: R&D Independently
- System: Windows7
- Air Supply: 0.4-0.6mpa
- Power: 380AC50HZ

Product Description

windows 7 6KW XY AXIS 68 feeders high precision LED mounting machine

Technical parameter

length	2700mm
width	2300mm
height	1550mm
Total weight	1700kg
software	Windows7
display	Touch screen monitor
Input device	Keyboard,mouse
Mounting speed	200000-250000CPH
components	LED3014/3020/3528/5050 and resistor,capacitor,bridge rectifiers
Components space	0.5mm
Air supply	0.4-0.6mpa
Electrical control	Independent research and development by ETON
X,Y Axis driver way	High-end magnetic linear motor+servo motor
Feeding way	Electric feeder with double motor

Product Introduction of HT-F9 Pick and Place Machine

.apply to 0.6M,0.9M,1.2M rigid PCB and 0.5M,1M LED flexible strip.producing with 4 types materials at the same time with high capacity,avaible for board with any proportion of LED chip and resistor.

.Dual arm four module,17 nozzles for each mounting part,part A/B/C/D Can be mounted separately or synchronsly.

.Calibration automatically,high precision,available for RGB.

.Exclusive patent technology:Group to take and group to mount.

Company and exhibition

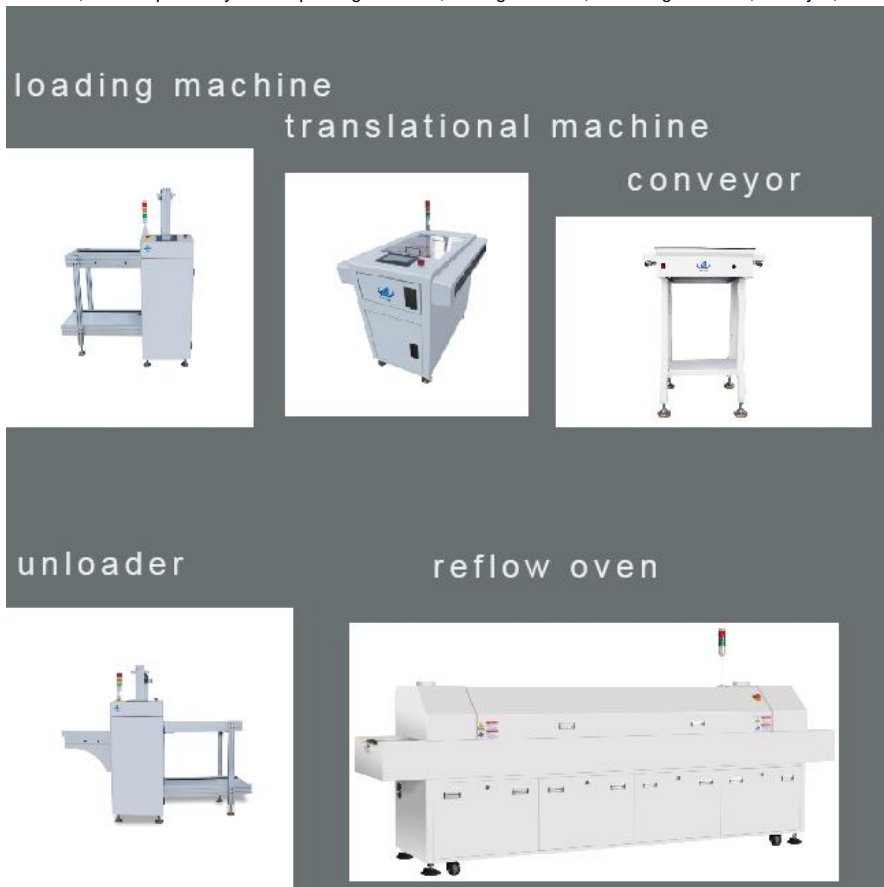

In 2007, set up the R&D center in Taipei, begin to research and development of LED highspped SMT machine technology and patent In 2008, set up Hong kong Hon-Eton Group Co.,Ltd.

We have participated in exhibitions in guangzhou ,shenzhen,shanghai,Turkey,India,Tran,Pakistan,Vietnam,Thailand and other countries and regions.

Other machine

our pick and place machine is divided into multi-function machine and high-speed machine. we can not only provide you with pick and place machine, but also provide you with printing machine, loading machine, unloading machine, conveyor, translational machine, reflow oven, etc.

service

we provide free installment, free warranty, free technical training, free technical support, free upgrade software.

FAQ

A:What's the terms of payment? What about the trade term? T/T is B:OK. You can choose FOB Shenzhen.

A:choose which mode of transportation?

B:Our modes of transportation are flexible,including water,land and air transportation

A:Is this machine difficult to operate?

B:No, not at all. For our previous clients, at most 5 days is enough to learn to operate the machines.

A:Is your software interface in English?

B:English interface and Chinese interface are both available.

A:Do you have oversea after sale service?

B:We can offer technical support abroad. If you have any technical problem, our engineers will support you promptly.
