

PCB Bulb lighting SMT mounting machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: RT-1

Product Specification

- Machine Name: SMT Machine / Pick And Place Machine/ Mounter
- Machine Module: RT-1
- Mounting Speed: 40000 Cph
- Machine Power Supply: 4 KW
- Machine Size: Middle/Big
- Machine Application: All Kinds Of Led Lighting Board/electrical Board

Product Description

PCB Bulb lighting SMT mounting machine

Key word: SMT Machine/pick and place machine/Mounting machine/LED Bulb Lighting making machine/assembly machine

Machine parameter

RT-1 mounting machine is ETON multifunctional pick and place machine for mounting all kinds of components.

Machine function: Mounting smd components

Machine head: 10 mounting heads

Machine feeder station: 32 PCS

Machine Power Supply: 4 KW

Max PCB size: 450*350 MM

Machine application

Machine widely apply to mounting all kind of SMD components, like led bulb/panel/ down-light/street light/dob /driver/flood light/etc

SMT line design

ETON supply whole SMT Line design according to customer product require. Supply whole Automatic Line and Semiautomatic Line.

Stencil Printer Machine—Single rail conveyor ---Pick and place machine---Single rail conveyor—Reflow oven machine

After sales service

ETON guarantee machine free install and training.

ETON machine provide one year warranty, during warranty, any parts need to be repaired and replaced will be free.

ETON service 24 online support

RFQ

What kind of led lighting your machine suitable using for?

A: Our machine widely applied to all kinds of led lighting and driver board. Besides, our machine function is mounting SMD components on the PCB.

What is the lead time of your machine?

A: The lead time of our machine need around 7 days ---20 days. Different module will required different time.

What is your machine certificates?

A:Our machine supply CE/CCC/SIRA certificates.
