

Dual Arm SMT Mounting Machine Professional Highspeed For Flexible Strip Rigid PCB

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-F7S
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum package, wooden case
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets/month

Product Specification

- Name: SMT Pick And Place Machine
- Dimension: 2700*2300*1550mm
- Weight: 1700kg
- PCB Thickness: 0.5~5mm
- Mounting Speed: 180000CPH
- Power: 380AC 50HZ
- Power Consumption: 6KW
- Warranty: 12 Months
- Highlight: Dual Arm PCB SMT Mounting Machine,
Rigid PCB SMT Mounting Machine,
Rigid PCB SMT Mounter Machine

Product Description

Dual arm professional highspeed flexible strip rigid PCB smt mounter machine

Product description

Dual arm professional high-speed mounter, adjustable pressure pneumatic.
Mounting mode is exclusive patent technology group to take and group to mount.
Vision system, 5 sets of digital camera, vision alignment, Mark correction

Product feature

Apply to the 0.6m,0.9m,1.2m rigid PCB and 0.5m,1m,LED flexible strip.
Producing with 2-4 types of materials capacity reach 180000CPH
Available for board with any proportion of LED chip and resistor.
Calibration automatically, high precision, available for RGB.

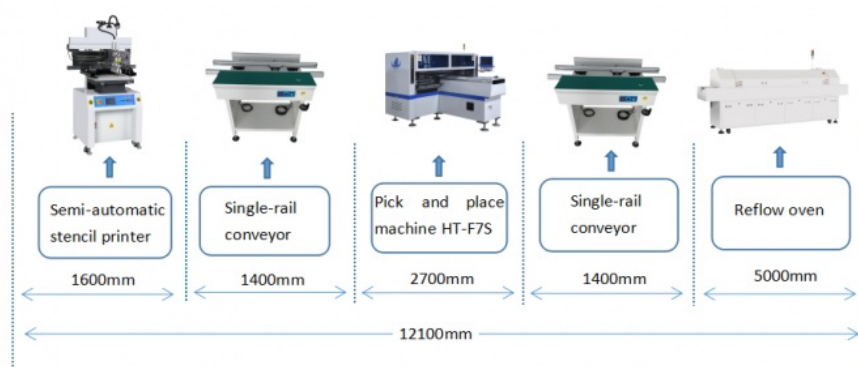

Application

Professional high-speed pick and place machine for mounting rigid PCB, LED flexible strip.

SMT production line

ETON HT-F7S Semi-automatic Production Line

we can provide full-auto production line and semi-auto production line, according the customer' s choose.
And these smt machine are independent research and development by our company.

Package

Our usually use vacuum wooden packaging, to ensure the products are good during the transportation for our customer. Our salesman will follow up the whole process to ensure that there will be no accidents in the packaging process, so that customers can be more assured

Exhibition

we often participated in exhibitions in Thailand, Turkey, Mumbai, Delhi, Pakistan, Egypt and so on. However, due to the epidemic situation, we did not go aboard to participate in the exhibition.

We often participate in Shanghai Munich exhibition, Shanghai Guangya Exhibition and so on

Service

Our service

- ➡ **Free Professional advice:** Fort the production of SMT machine, production line, factory.
- ➡ **Free upgrade software:** The machine software is developed by our company, so we provide life-long time upgrade software for customer.
- ➡ **Free installation and training:** we have offices and local engineers in overseas.

we can provide 1-2 times for one year for free repair to our customer. we have local office and engineer in Egypt, India, Turkey, etc.

FAQ

Q: Do you have offices and local engineers in overseas?

Yes, we have established offices and local engineers in Egypt, Turkey and India, etc.

Q: Why choose us?

a: Best price & Best shipping & Best service

b: More than ten years of experience in research and development production and sales.

c: we have established overseas offices and local engineers in Egypt, Turkey, India, etc.

d: Patents: 9 invention patents, 12 software copyrights, 112 practical patents.

e: Free installation and training, software lifetime free upgrade, etc.

Q: Is the software for these machine in English?

A: Yes. Our software is independently developed, there are two version in English and Chinese.

Q: This is the first time I use this kind of machine, is it easy to operate?

A: There is English manual or guide video that show you how to use machine. If you still have any question, please contact us by e-mail/ Skype/ phone/ wechat/ online service.

Q: What products you sell?

A: Our company deal in the following products:

SMT equipment and accessories: pick and place machine, stencil printer machine, glue dispenser, conveyor, feeders, SMT nozzles, etc.
