

## High Capacity 180000CPH SMT Pick And Place Machine Professional Vision alignment

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: HT-F7S
- Minimum Order Quantity: 1 sets
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

#### Product Specification

- Machine Type: Highspeed SMT Machine
- Dimension: 2700\*2300\*1550mm
- Weight: 1700kg
- Mounting Speed: 150000~180000 CPH
- Head: 34 Pcs
- NO.of Feeder Station: 68pcs
- Highlight: **High Capacity SMT Pick And Place Machine ,  
180000CPH SMT Pick And Place Machine**

## Product Description

### Professional highspeed capacity reach 180000CPH SMT pick and place machine

#### Features:

1. Dual purpose professional high speed mounting machine, 2~4 type of capacity reach 150000-180000CPH.
  2. Vision alignment, Mark correction.
  3. Components: LED 3014/3020/3528/5050 and capacitors, resistors, bridge rectifiers, etc.
  4. Calibration automatically, high precision, available for RGB.
  5. Application: flexible strip, LED tube, panel light, display screen, etc.
- Exclusive patent technology: Group to take and group to mount.

#### Technical parameter:

Model	HT-F7S(Dual purpose professional high speed mounting machine)
Dimension(L*W*H)	2700*2300*1550mm
Weight	1700kg
PCB length width	Max:1200*330mm;Min:100*100mm
PCB thickness	0.5~5mm
Mounting precision	±0.02mm
Mounting height	≤5mm
Mounting speed	150000~180000CPH
Power consumption	6KW
No. Of feeders station	68PCS
No. Of head	34 PCS
Feeding way	Electric feeder with double motor

#### Machine main part:

#### Company profile:

- (1) ETON company: ETON enterprise was established in 2011. It is a high-tech enterprise dedicated to the R&D, production and sales of SMT high-speed placement machines. ETON has made breakthrough progress in the field of SMT high-speed placement machine, which are widely used in light, led display, electronics field, power drive, home appliances etc.
- (2) Market: We occupied a vast foreign LED market, 80% larger and listed led factory are our client. We have been working with many big companies in India, Turkey, South Africa, Pakistan and so on. Products exported to over 20 countries and regions
- (3) ETON industry park: With an industrial park of 50,000 square meters, focusing on the R&D and production of the SMT industry. The industrial park is equipped with an advanced processing and manufacturing center, and the quality of the machine The control is very strict.

#### Exhibition:

We attend many exhibitions every year. Not only in China, India Delhi, Indian Mumbai, Pakistan Karachi, Turkey Istanbul, Egypt Cairo, Russia Moscow, Vietnam Hanoi etc. We occurred 85% percent in China LED lighting markets, but also send machines to India, Korea, UK, Russia, Egypt, Turkey, Vietnam, Japan, Australia, Poland, etc more than 20 countries.

#### Our advantages:

Machine's software is easy to operate, can update anytime by free.

The Camera adopts Germany imported spare part, automatic visual auxiliary positioning, positioning is accurate, convenient.

Our feeder is electric feeder, can satisfy the requirement of different SMT LED components.

80% larger and listed led factory are our client and occupied a vast foreign LED market.

With an industrial park of 50,000 square meters, concentrating on the R&D and production of the SMT industry.

Decades experiences in the pick and place machine field.

**Services:**

- 1.Free technical support: 7\*24 hours online technical service.
- 2.Free installation and training: we have established offices overseas. We can arrange engineers to go directly to the factory for free installation and training.
- 3.Free upgrade software: machine software is developed by our company, so we provide life-long free upgrade software for customer for customer who purchase the machine.
4. We can provide SMT production line solution with you.

**FAQ:**

1. What do you do if something goes wrong with my machine?  
Firstly, we will let the engineer contact you online to solve.  
Secondly, if the line can not solve, we will arrange overseas engineer go to your factory address problem.
- 2.what can you buy from us?  
Pick and place machine, Automatic stencil printer,SMT machine,Reflow oven,LED light production line.
- 3.Which countries are your machines mainly sold to?  
Our products exported to more than 20 countries and regions, including Turkey, Egypt, India, Pakistan, South Africa, Brazil etc.
- 4.What's the terms of payment?  
T/T is OK.30% Down payment in advance,70% payment before delivery.
