High Capacity Blue White Bulb SMT Mounter Machine 40000CPH For LED Light Production

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 set
- Packaging Details: wooden cases, vacuum packing
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Condition: New
- Mounting Speed: 40000 CPH
- Pcb Thickness: 0.1-6mm
- No.of Nozzles: 10PCS
- No. Of Camera: 2 Sets
- Highlight: **High Capacity SMT Mounter Machine, Bulb SMT Mounter Machine**

Product Description

High capacity Blue and white bulb making mounter with 40000CPH for led light production

Production description:

1. Can mount minimum size 0402 components. And also can mount less than 22 MM high components. Including LED chips, resistors, capacitors, IC, shaped components, inductance, etc.
2. Suitable for small PCB products, Such as LED bulb, LED linear bulb, LED DOB bulb, LED street light, LED down-light, LED Driver and Small home appliance electronic boards, etc.
3. The optimal speed for LED lighting can reach 40000 CPH, suitable for new enter and middle LED manufacturer.

Machine main parameter:

System	Windows 7
Display	Touch screen monitor
Input device	Keyboard,mouse
PCB clamping	Pneumatic
PCB size	Max:450*350mm Min:80*80mm
Power	380AC 50HZ
Air supply	0.4-0.6mpa(4-6kgf/cm2)

Advantages of LED Pick and Place Machine:

High precision	XYZ axis drive way is high-end magnetic linear motor and servo motor; Use a flight identification camera to capture head movements during production, compare programs, and compensate for components.
Mounting mode	Is group picking and separate placing, separate picking and separate placing, it can be applied to the production of a variety of products
High efficiency	Use electronic feeder feeding system, have auto-optimization. The speed reaches 40000 CPH.

Company profile:

Company Profile

ETON Industrial Park

ETON Sales Engineer

ETON Technical Team

ETON Factory Plant

Top brand

Advanced technology

Excellent services

Eton company established in 2011 which is focusing on SMT pick and place machine. and has achieved everyone's unanimous recognition and praise. In the field of high-speed placement machines has become a leading Chinese brand. Before 2020, Eton company has established JIANGXI Industrial Park, SHENZHEN Headquarters, East China ZHEJIANG Office, ZHONGSHAN Office and XIAMEN Office in China. And has established a Delhi office in India.

ETON advanced technology and innovation drives the revolution of market rapidly, and obtains a number of intellectual property technologies, including 9 invention patents, 12 software copyrights. 112 Practical patents, Moreover, ETON has invented the fastest automatic pick and place machine with speed 200000CPH, which save much labors and space for production, got large market over 20 countries.

Eton machine has undergone R&D testing, production quality inspection and one-week aging. Make sure that the machine is in good condition before shipping. Besides, the company has a dedicated after-sales team to provide 24-hour online services. ETON has Indian local engineer, Turkey local engineer and Egypt local engineer and also plan to expand our foreign engineer team to provide more convenient services to our customers

1. We had building a long-term partnership with some strong factories!
2. We specialize in this field for 10 years.
3. We have our own professional designers.

4. We have 50,000 square meters of industrial park.
5. We can provide you with whole production line.

Application:

Can mounted products

Apply to tube, driver, bulb, strip, lamp, panel, ceiling light, down light, screen, street light, etc.
 Apply to mounting LED, capacitors, resistors, IC, shaped components etc.

Exhibition:

Our company participates in many exhibitions at home and abroad every year, You will see ETON's booth in some well-known large-scale exhibitions in China, including large-scale exhibitions held in Shenzhen, Guangzhou, Chongqing, Shanghai and other places.

Service:

PROVIDE YOU WITH EXCELLENT SERVICE

Offer software upgrade for lifetime for free

7*24 technical online support

Free to install and free to train

One year warranty factory service

Can provide you with the whole production line

We can provide you with excellent service, we also have professional overseas engineers to your factory provide install, training service until you can operate the machine adroitly.

FAQ:

1) Do you have oversea after sale service?

We can offer technical support abroad. If you have any technical problem, our engineers will support you promptly.

2) How is the training?

After buying our machines, you can send your engineers to our factory, or we send our engineer to your factory, and then we will train your people to operate these machines.

3) It's hard to use the machine?

No, not at all. For our previous clients, at most 5 days is enough to learn to operate the machines.

4) Does your machines have quality certificates?

We are high-tech enterprise with CE, SIRA, CCC, ISO awarded as "Well-know brand" and many technology patents, and have rich experience (more than 8 years) in LED light production line program.

5) What's the terms of payment? What about the trade term?

T/T is OK. You can choose FOB Shenzhen.
