

24 Head 90000cph SMT Pick And Place Machine Double Module LED Bulb Assembly

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE,CCC,SIRA
- Model Number: HT-E8D-1200
- Minimum Order Quantity: 1 sets
- Packaging Details: Vacuum wooden box packaging
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Machine Type: Multifunctional SMT Machine
- Dimension: 3150*2250*1650mm
- Weight: 2500kg
- PCB Size: Max:1200*300mm
- Head: 24 Pcs
- Warranty: 1 Year
- Highlight: 24 head SMT pick and place machine ,
SMT pick and place machine 90000cph ,
Double Modules SMT Mounter Machine

Product Description

Double module led bulb assembly 24 head 90000cph SMT pick and place machine

Product introduction:

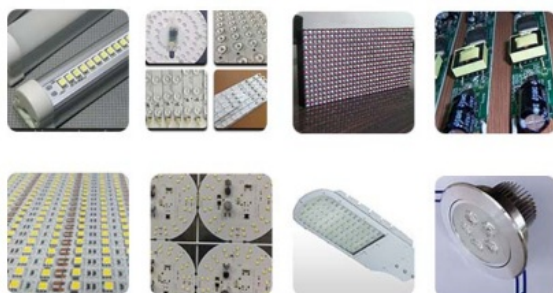

- (1) HT-E8D-1200: Double-module magnetic motor multifunctional pick and place machine. 24 heads, optimum mounting speed reached 90000 CPH. The actual production capacity should be determined according to the mounted products and the actual production situation
- (2) Dual system, dual module multifunctional mounter to produce two different products at the same time.
- (3) Component: min.size 0402 max.height 15mm
- (4) Application: Power driver. Electric board. Lens. DOB bulb linear bulb. Household appliance etc.

Machine parameter:

Model	HT-E8D-1200
Dimension(L*W*H)	3150*2250*1650mm
Weight	2500kg
PCB length width	Max:1200*300mm;Min:100*100mm
PCB thickness	0.5~5mm
Mounting precision	±0.04mm
Mounting mode	Group picking and separately placing, separately picking and separately placing
Mounting height	<15mm
Mounting speed	90000 CPH
Power consumption	6KW
No. Of feeders station	48 PCS
No. Of head	24PCS

Machine application:

This machine available for many products.
such as led bulb, panel, DOB, strip light, tube, display, down-light, street light, Power driver. Electric board. Lens.

Our advantages:

1. We are leading manufacturer of automatic high speed pick and place machine.
2. 80% large and listed led factory are our client. We have over decades development history.
3. We have an industrial park covering an area of 50,000 square meters in Jiangxi, which has various machine.
4. We have world record-breaking high speed pick and place machine, which speed reached 250000CPH.
5. We have local India engineer. As long as you buy the machine, we will arrange engineers to install, debug and training you for free, until you learn to operate the machine, service is very convenient. We have offices in Mumbai and New Delhi, very quick to support.

Exhibition:

In order to allow more companies and customers to be recognized by us and expand the brand effect of the company's machines. Except during the epidemic, we will participate in exhibitions every year, including domestic exhibitions and foreign exhibition.

Company profile:

Shenzhen ETON Automation Equipment Co.,Ltd. was founded in 2011. It is a manufacturer and process solution provider focusing on R&D, production, sales and service of SMT high-speed pick and place machines and SMT peripheral automation equipment. The company has SMT high-speed pick and place machine division, precision solder paste stencil printer division, high-speed precision dispensing equipment division, and SMT peripheral automation equipment division. We have our own industrial park in Jiangxi province. The industrial park covers an area of 50,000 square meters and has more than 300 employees. There are production centre and R&D centre and quality inspection centre. Streamline production process make our machine has high quality standard and strong supply capacity.

Our clients:

ETON as the leading manufacturer of global photo electronic high speed pick and place machine, the products are exported more than 20 countries and regions and 80% of the Chinese market, as well as abroad, including India, Vietnam, Tunisia, Egypt, Turkey, Russia, Thailand, etc.

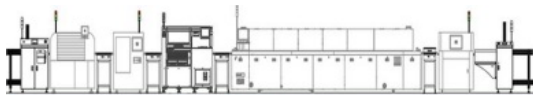

Domestic:

MLS, NVC, FSL, OPPL, ETI, SHILIN, HELI, Sanxiong, Sansi, Shimmering, Glomor, TCL, NAVIGATE,

etc. **Foreign:** UNISTAR, ACK, KENDAL, RangDong, TAMKIM, SKY INDUSTRIES, FAWANIS, SURYA, POLYCAB, FIEM, RK, CALCOM

Services:

After-sales service:

- 1.Free installation and training: We have established offices overseas.We can arrange engineers to go to directly to the factory for free installation and training.
- 2.Free upgrade software:Machine software is developed by our our company,so we can provide life-long free upgrade software with customer who purchase the machine.
- 3.Free technical support: 7*24 hours online technical service.
- 4.Visiting customers regularly and gather information.
- 5.Any part need to be repaired and replaced will be free during warranty(1 year).

FAQ:

1.Why should you buy from us not from other suppliers?

We are high-tech professional manufacturer of SMT machine with more than 10 years with good quality and reputation. We have rich experience in helping client to start new factory and new line. "Professional, high-effective, cost-saving" are our advantages.

2.Is your software interface in English?

English interface and Chinese interface are both available.

3.This is the first time I use this kind of machine, is it easy to operate?

Yes. There are English manual and guide video that show you how to use machine.

If there is any doubt in the process of operating the machine, please feel free contact us.

We also provide overseas on-site service.
