

0201 BGA SMT Mounting Machine 80000cph High End Cylinder Clamping

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: YT202S

Product Specification

- Machine Name: SMT Machine / Pick And Place Machine/ Mounter
- Mini Component Size: 0201
- Max Component Size: 40*40 Mm
- Mounting Speed: 80000 Cph
- Highlight: **High End SMT Mounting Machine,
Cylinder clamping SMT Mounting Machine,
80000cph smd Mounting Machine**

Product Description

New upgrade 0201 BGA mounting machine

New upgrade mounting machine

ETON newest smd smt mounting machine YT 202S is high speed and intelligent, ultra performance

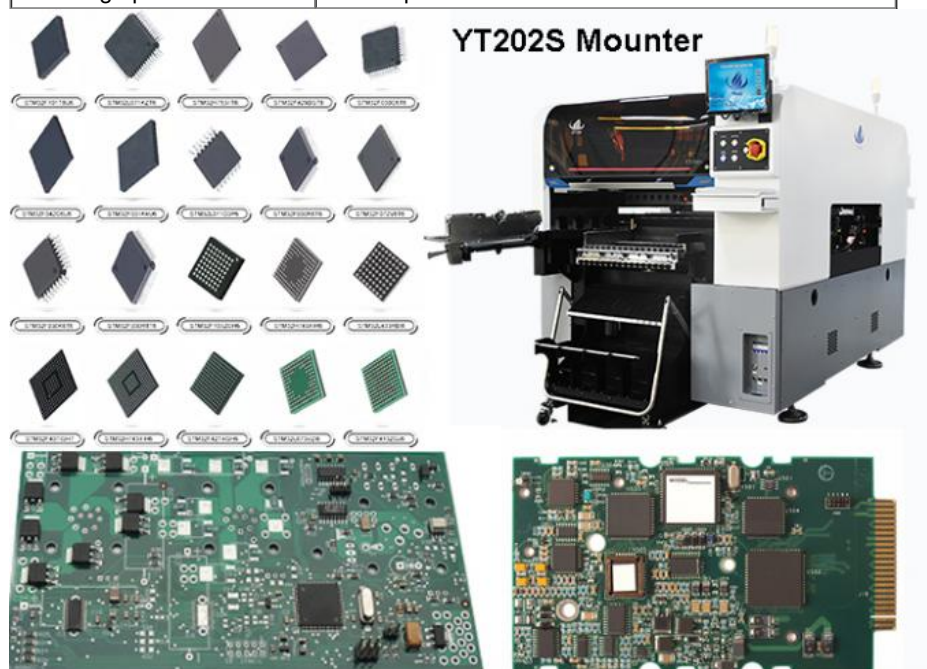

Machine application

YT202S is high-end mounting machine, support for mounting 0201-40*40mm tape reel package and IC tray feeder. The finished product like the household appliance driver board, tv display board, complicated BGA, Transistor, SOP, VR, CSP, QFP, TSOP mounting.

Machine features

Standard with two docking cart, easily for material change and save production line time
Using high precision optical recognition camera, fixed flight vision camera.
Brand new self-developed high-precision placement head.
Each placement head with independent detection function, which improves the stability of the equipment and the reliability of the product.

Model	YT202S
PCB size (L*W)	Max size: 500*450mm (single pcb) 500*300mm(double pcb) Mini size: 50*50 mm
PCB thickness	0.5-4.5 mm
PCB Clamping	Cylinder clamping, track width adjustable
Rail	2 rail, 2 gantries(rail1,4 are fixed rail)
No. of camera	4 sets
Mounting height	≤ 20mm
Mounting speed	80000 cph

SMT Line solution

According to different product, design special line design, automatically line with the automatic printer machine, reflow oven machine ,loader/unloader equipment, pcb carrier, AOI, SPI test equipment.

RFQ

1. Which country has your machine been sold to?

A: Our machine have been sold to Egypt, Turkey, Vietnam, India, Saudi Arabia, Iran, Thailand, Russia, etc

2. Could I visit your local client factory ?

A: Sorry, it is depended on my client, I will ask for you and please keep contact with us at firstly. Otherwise, don't worry about the machine install and training. Cause we are professional and provide the free door to door service for you with our local engineer.
