10 Nozzles LED Bulb Making Machine 40000CPH Pick And Place Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: RT-1
- Minimum Order Quantity: 1 set
- Packaging Details: wooden cases, vacuum packing
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Warranty: 1 Year
- Applicable Components: 0402
- Application: SMT Production Line
- Condition: New
- Mounting Speed: 40000 CPH
- Nozzles: 10pcs
- Highlight: 10 Nozzles Led Bulb Making Machine, LED Bulb Making Machine 40000CPH, Pick And Place Machine 40000CPH

Product Description

12 nozzles mounting speed reach 40000CPH bulb making machine pick and place machine

Production description:

- 1.It has 10PCS head and the mounting speed can reach 40000CPH.
- 2.The maximum PCB size is 450*350mm.
- 3.It's minimum mount component is 0402 and the mounting height is 15mm.
- 4.It has an automatic feeding system.

Parameter:

System	Windows 7
Display	Touch screen monitor
Input device	Keyboard,mouse
PCB clamping	Pneumatic
PCB size	Max:450*350mm Min:80*80mm
Power	380AC 50HZ
Air supply	0.4-0.6mpa(4-6kgf/cm2)

Company profile:

Our company was established in 2011 with over 10years experiences in high -speed pick and place machine. We are the largest high -tech manufacturer in China with strong capability of design ,R&D, manufacture, sales&services. "High efficiency""High quality"and "High Stability " are he core technology of ETON. We got 9 invention Patents, 112 practical patents,12 software copyrights.

Application:

Apply to tube,driver,bulb,strip,lamp,panel,ceiling light,down light,screen,street light,etc.
Apply to mounting LED,capacitors,resistors,IC,shaped components etc.

Exhibition:

Our company participates in many exhibitions at home and abroad every year, You will see ETON's booth in some well-known large-scale exhibitions in China, including large-scale exhibitions held in Shenzhen, Guangzhou, Chongqing, Shanghai and other places. Foreign exhibitions include exhibitions in more than 20 countries including Mumbai, Delhi, Egypt, Turkey, and Vietnam.

Five-star Services

Professional solutions: Provide professional SMT Full line solutions

Free Warranty: One-year warranty factory service.

Free Installation: On-site free installation to ensure smooth production.

Free Technical Training: Professional training of operating and maintenance.

Free Technical Support: 7 * 24 technical online support.

Free Software Upgrade: Offer free software upgrade whole lifetime

We can provide you with excellent service.

FAQ:

Q: I want to produce led display, does your machine suitable for produce this product?

A: Yes, we could provide whole SMT Line for led display manufacturing, include stencil printer machine, Pick and place machine, Reflow oven machine, Conveyor machine, etc

Q: What is your delivery date?

A: The delivery date is about 30 days upon the full payment.

Q: I am from India, can I pay in Indian rupees?

A: So sorry, We only support USD or CNY payment. But we also support pay by Alibaba platform directly

Q: How is the warranty?

A: one-year warranty period is provided. During the warranty period, any accessories that need to be replaced or repaired are free of charge.

Outside the warranty period, there are 1 to 2 times a year for free engineers to visit and repair opportunities.

Q: Do you have oversea after sale service?

A: We can provide technical support abroad. If you have any technical problems, our engineers will provide you with timely support. Abroad, we have India office, Indian engineer, Egyptian engineer and Egyptian engineer, etc.

Q: How is the training?

A: After purchasing our machines, you can send your engineers to our factory, or we send our engineers to your factory, and then we will train your personnel to operate these machines. Online training and video tutorials. During the epidemic, if our engineers can't make it through, we also have special one-on-one online training and video tutorials.
