

Electronic Boards SMT Pick And Place Machine SMD LED Production Line High Precision

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE, CCC, ISO
- Model Number: YT-202S
- Minimum Order Quantity: 1 set
- Price: USD 100000~150000
- Packaging Details: WOODEN BOX
- Delivery Time: 30 DAYS
- Payment Terms: T/T
- Supply Ability: 100 SETS/PER MONTH

Product Specification

- Name: Pick And Place Machine
- Weight: 1700KG
- Length: 2788MM
- Feeder Stations: 64
- Power: 380AC 50Hz
- Components Space: 0.2MM
- Mounting Height: 40MM
- Power Consumption: 8Kw
- Minimum Component: 0201
- Highlight: **SMT Pick and Place Machine 50Hz ,
SMT Pick and Place Machine 8Kw ,
High Precision SMD LED Production Line**

Product Description

Electronic Boards SMT Machine SMD LED Production Line High Precision

Company Window

ETON has many different machines for SMT.
Minimum component can do 0201
Fastest speed machine can reach 500000 CPH.

Own 52000 square meters industrial park ensure the strength and production capacity.
9 innovation patent, 12 software patents , 112 practical patents present strong R&D power
Local installation and training let you no service worry

Description:

Brand: ETON
Application: Different kind of electrical PCB boards
Warranty: 1 year
PCB Length Width:Max:500*450mm Min:50*50mm
Weight:1700 kg
Power/power consumption: 380AC,50Hz/ 4kw

Technical parameters	
Length*Width*Height	2788*1686*1375mm
Total Weight	1700kg
PCB Length Width	Max:500*450mm Min:50*50mm
Mounting Precision	±0.02mm ,Vision alignment, Mark vision
Mounting speed	80000 CPH
Components	resistor,capacitors,shaped components,LED chips etc.
power/power consumption	380AC,50Hz/ 6kw
No.of Feeders Station	64 PCS
No.of nozzles	20 PCS
Mounting Height	<20mm
Feeding way	Intelligent double heads feeder
No.of Camera	4 sets of imported camera
PCB Thickness	0.5mm~4.5mm

Features

1. Dule Modules double systems, can produce two different products at same time.
2. 20 heads with flight identification, mark correction.
3. High precision machine for display screen, driver and other electronic PCB boards and so on.

Application:

1. PCB manufacturer
2. SMT process factory
3. PCBA making factory
4. Home appliance PCB board manufacturer

Why we are guaranteed to cooperate with you?

- 1: ETON is the largest and top manufacturer of SMT machines in China, working with ETON is surely guaranteed. No matter the services, products or experiences, we can provide you all the best.
- 2: Worked with many companies in this field. We can share what we know. About the newest technology, newest products or newest development trend to you. Or helping your company go fast and go well.
- 3: Local installation and training, you don't be worry about your partner disappeared one day and your machines are become orphan. Investment in exchange for failure.

How you guarantee your machines quality?

ETON is the biggest manufacturer of SMT machines in Chin, has own R&D and own manufacturing center to guarantee then machine with wonderful software and hardware to ensure machine's best program solution. From design, to software, parts production, and assembly, ETON has strict quality tester to check. And before delivery, it will have 14 days testing and aging to ETON machine to provide best condition of machine.

We know our machine clearly and control machine in detail with even a wire and a screw.
