FAQ

Do you have any customers in India?

Yes, we have many big clients in India, Turkey, Egypt and others.

Does the price include the spare parts (feeder and nozzle)?

Different clients have different requirements on spare parts, it is not fair to the clients to add in equivalent price for spare parts. So we don't add the spare parts cost on price, and price is only for machine.

Are you a reliable cooperator?

Yes, we specialized in SMT parts over more 10 years in Shenzhen China. We participated in many exhibitions in abroad and domestic. We have a more 50000 industrial park, total 7 building and 300-500 employees. We obtain a number of intellectual property technologies, including 9 invention patents, 112 practical patents, 12 software copyrights. And our high speed machines' speed can reach 250000CPH, broken the world record.

This is the first time I use this kind of machine, is it easy to operate?

It is easy to operate, the language of the machine is English, and we will teach you the basic operation.

If you still have any questions, please contact us by e-mail, WeChat, phone, Skype or other contact information.

What's the terms of payment? What about the trade term?
