

50W CPH LED Making Machine SMT Production Line Pick And Place Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: HT-T9-2S
- Minimum Order Quantity: 1 set
- Packaging Details: Vacuum packaging + wooden box packaging
- Delivery Time: 30 days after deposit
- Payment Terms: T/T
- Supply Ability: 50 set per month

Product Specification

- System: Window 7
- Software: R&D Independently
- Application: SMT Assembly Production Line
- PCB Size: 250* Any Length
- Delivery: Within 30 Days
- Mode Of Transport: Sea/Train/Airplane
- Warranty: 1 Year
- Package: Carton Box
- Highlight: Window 7 led making machine, SMT Production Line LED Making Machine, 50W CPH pick and place machine

Product Description

50W cph led making machine smt production line pick and place machine

Precautions for the operation of the smt placement machine:

1. In terms of quality control, the production products should be sampled for defects such as deviation;
2. In terms of material loss control, the abnormal records (throwing materials) of the equipment should be monitored, and the material stations or materials that exceed the standard should be processed and fed back to the leader, technician or engineer to improve and control the defect;

Production Introduction (T9-2S New Product!)

PCB size(Width*Length): 250(\pm 10)mm*Any length

Mounting way: Group picking and group placing

Production management MES system: Customized(Optional)

Components range: LED3014/3020/2835/5050 and resistor,capacitors,bridge rectifiers etc.

Electrical control: Independent research and development by ETON

500000 CPH

T9-2S

Apply to 3014/3020/2835/5050 resistor, capacitor, bridge rectifier etc.

Adjust the conveying platform according to various roll to roll strip, range 250 ± 10 mm, the max length range is 1M per cycle.

SMT Mounter Main Parts

Company Introduction (Top brand of smt machine)

1. ETON is Top brand, Quality is guaranteed over **15** years LED lighting field.
2. Own Industry Park over **50000** square meters. Strict quality control.
3. The service life of the multifunctional pick and place machine is more than **15** years.
4. Even if your market gets bigger, the machine don't need to change. Save the cost.
5. **3** (Delhi, Mumbai and Daman) Local engineer in India, which can provide you with the greatest convenience.

FAQ

Is your software interface in English?

English interface and Chinese interface are both available.

Do you have oversea after sale service?

We can offer technical support abroad. If you have any technical problem, our engineers will support you promptly.

It's hard to use the machine?

Machine is very intelligent and easy to operate, like the intelligent phone, also the software is made by our company, so we know how to make it more intelligent and operate friendly.

Why should you buy from us not from other suppliers?

We are high-tech professional manufacturer of SMT machine with more than 10 years with good quality and reputation. We have rich experience in helping client to start new factory and new line. "Professional, high-effective, cost-saving" are our advantages.

What is your delivery date?

The delivery date is about 20 days upon the full payment.

How is the warranty?

1. Every machine will be checked carefully before shipping out. Buyers should check the package once receiving.
2. The complete machine has a warranty period of 12 months from delivery and lifetime maintenance service.
3. We provide online Q/A and troubleshooting support and technical advice service. Provide one to one after-sale service.

ETON is your best partner!

Find me on Whatsapp: +86 19880662073 and let's discuss more. Thank you!
