

## 120000 Cph PCB Pick And Place Machine For Computer Communication Board Pcba

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC/CE/SIRA
- Model Number: YT402
- Minimum Order Quantity: 1 set
- Packaging Details: Wooden package

#### Product Specification

- Machine Name: Pick And Place Machine
- Application: Electrical Board/ Pcba
- Mounting Heads: 40 Pcs
- Mounting Speed: 120000 Cph
- Highlight: 120000 Cph PCB pick and place machine ,  
PCB pick and place machine CCC ,  
linear motor PCB Pick And Place Machine

## Product Description

### 3C computer communication board pick and place machine

#### Machine features

Adopt High-end magnetic linear motor, servo system and multi function modular head, the capacity increased by 25% compared with traditional machine, optimum placement speed reach 120000 CPH

Brand new flight vision camera, improve recognition performance, size up to 10\*10 mm

Vacuum sensing device, each placement head with independent detection function, which improves the stability of the equipment and the reliability of the product.

Each module 20 spindles, both high-speed and intelligent with light compact design

Equipped with smart double-head Tape feeder, support YT series double head intelligent electric tape reel feeder, by optically correcting the feeding position of the component, it can achieve stable, accurate and high-speed feeding.

Could achieve flexible wiring through modular placement heads and various production modes

#### Machine parameter

Model	YT402
PCB size(L*W)	500*300 mm(Max)-50*50 mm(Mini)
No. of Camera	4 sets (Digital camera)
Mounting height	≤6 mm
Component range	Mini 0201 packages and IC etc
Power	380AC 50HZ 6KW
No. of heads	40 PCS
No. of Feeder station	32 PCS

#### Machine application

This machine is widely applied to computer, communication product(like the phone), Controller board for consumer electrical product, 3 C products, etc.

It is suitable for mounting many kind of SMD components.

#### Service

Free service during warranty!

#### Related machine

ETON as the top brand of SMT Machine manufacturer in China, we are supply whole SMT production line solution, for pick and place machine, specially, we are highly recommend our newest and hot sale series YT (Honor)series:

YT101:Economy and higher precision SMT mounter machine

YT202: Economy and save cost Honor series dual gantry mounter machine

YT202S: High precision and vision camera pick and place machine

YT402: Super high capacity design 40 heads SMD placement machine
