Light Bulb/Tube/Panel/Strip LED Making Machine 45K CPH SMT Automatic Pick And Place Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: HT-E8S-1200
- Minimum Order Quantity: 1 set
- Packaging Details: wooden cases, vacuum packing
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

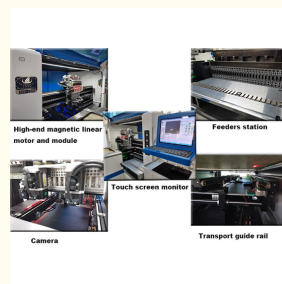

Product Specification

- Warranty: 1 Year
- Applicable Components: 0402
- Condition: New
- Mounting Speed: 45000 CPH
- Head: 12PCS
- PCB Max. Size: 1200*500mm
- Highlight: Strip LED Making Machine,
45K CPH LED Making Machine,
SMT automatic pick and place machine

Product Description

Multifunctional LED Light Bulb/tube/panel/strip Making Machine 45K CPH 12Nozzles SMT automatic pick and place machine

Machine main features:

Single module magnetic linear motor multifunctional pick and place machine.

Mounting components: LED chip, capacitors, resistors, lens, IC, shaped components, etc.

Component: Min.size 0402. Max.height 15mm.

Application: power drive. electric board. Lens. DOB bulb. Linear bulb. Household appliance, etc.

Production parameter:

Dimension	2550*1650*1550mm
Weight	1700KG
PCB size	Max.1200*500 Min.100*100mm
PCB thickness	0.5-5mm
PCB clamping	Adjustable pressure pneumatic
Mounting speed	45000CPH

Advantage:

1)Efficient team: The best suggestions of full SMT lineequipment according to your budget and site.

2)Competitive price: We are directly manufacture of theETON pick and place machine, so we can give you thebest competitive price with high quality materials.

3)High quality: We have strictly quality control during allproduction from raw materials to the finished machine.

4)High efficiency: Allmachines parts are made byourselves, so it" s convenient to control the timeschedule and quality timely.

Company profile:

Shenzhen ETON Automation Equipment CO., LTD. is one of very few high-tech manufacturers committed to provide "professional, high efficiency, low consumption" automatic high-speed SMT pick and place machine for customers,combining product development,production,sales and service as one.

At present,as for the series "HT" high-speed and multi-functional machine,speed is the world's fastest. "Speed" and "Stability" are the core competencies of ETON,technology innovation and strict quality management principles coupled with excellent service , to enable us provide better professional full SMT solution continuously and create superior value for our customers.

Exhibition:

We have came to different countries every year to participate in the exhibition, so that customers can further understand the company and products, expand the company's influence.

Pcakaging:

Our mode of transportation including water, land and air transportation.You can choose the most suitable way according to your requirements.

Our packing is made of wooden box with vacuum package, and we promise to deliver the goods within four weeks after

Professional and standard packaging

Step one: Pack the machine with foam cotton and stretch film to protect the outside of the machine

Step two: Vacuum packaging Vacuum packaging;
put the desiccant in a vacuum bag to prevent moisture; use straps to secure the machine;

step three: professional wooden box packaging

payment.

Service:

Before order

We will support professional suggestion of SMT line
We will recommend the best module according to the products
We will supply best quotation with factory price

After order

Machine will have good test and aging before shipping
We support machine free installation and training,
Special time we support online training, and video teaching.

ETON is Top brand of SMT machine in China

Market share in China: 80% of large listed factories are our customers
Our products are exported to more than 20 countries & regions

- 1) Professional sales manager of LED SMT machine, provide professional suggestion and service to you !
- 2) 24 hours online service and technical support, solve your questions quickly!
- 3) Sound company organisation and working system, guarantee you a fast delivery!
- 4) Supply you all the SMT proecssing related machines and devices with best prices!

FAQ:

Q: Are you a trade company or a manufacturer?

A: We are an experienced manufacturer of SMT. Our company has been established for ten years, the company has more than 300 employees, the company is a large-scale, is the top domestic enterprises

Q: What are the main LED products our machines for?

A: There are different machines in our company and different machines apply to different LED lights. The main products we can apply: bulb tube strip lamp panel. Down light, streetlight, ceiling light, wall washer light and so on.

Q: Do you have oversea after sale service?

A: We can provide technical support abroad. If you have any technical problems, our engineers will provide you with timely

support. Abroad, we have India office, Indian engineer, Jerusalem office, engineer, Egyptian engineer, etc.

Q: It's hard to use the machine?

A: Machine is very intelligent and easy to operate, like the intelligent phone, also the software is made by our company, so we know how to make it more intelligent and operate friendly.
