## High Speed LED Strip Making Machine 250000CPH Mount 0402 Pick And Place Machine

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: HT-F9
- Minimum Order Quantity: 1 set
- Packaging Details: wooden cases, vacuum packing
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

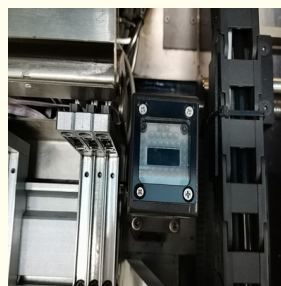

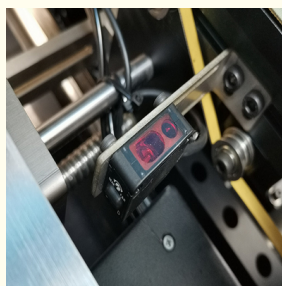

#### Product Specification

- Warranty: 1 Year
- Applicable Components: 0402
- Condition: New
- Mounting Speed: 250000CPH
- No.head: 68PCS
- Components Space: 0.5mm
- Highlight: High Speed LED Strip Making Machine, LED strip making machine 250000CPH, 0402 pick and place machine

## Product Description

### Highspeed LED strip making machine 250000CPH mount 0402 pick and place machine

#### Product Description:

- 1.It has 68PCS head and the mounting speed can reach 250000CPH.
- 2.The maximum PCB size is 1200\*330mm.
- 3.Calibration automatically, high precision,available for RGB.
- 4.Group to take and group to mount

#### Machine advantages:

- \*Dual arm magnetic linear LED high-speed SMT machine.
- \*Producing 4 types materials at the same time.
- \*Vision alignment ,Mark correction.
- \*The mounting speed can reach 250000CPH.
- \*It can produce tube, LED flexible strip, display, panel light etc.
- \*Mounting components: LED 3014/3020/3528/5050 and capacitors, resistors, bridge rectifiers.

#### Machine main parameter:

Dimension	2700*2300*1550mm
PCB size	Max:1200*330mm Min:100*100mm
PCB thickness	0.5-5mm
PCB clamping	Adjustable pressure pneumatic
Mounting mode	Group to take and group to mount
No.of camera	5 sets
Power	380AC 50HZ
Power consumption	6KW

#### Application:

Apply to the 0.6m,0.9m,1.2m rigid PCB and 0.5m,1m LED flexible strip.Producing with four types materials at the same time with high capacity.

Apply to the panel light, LED flexible strip,display,tube,etc.

#### Company advantages:

Efficient team: The best suggestions of full SMT lineequipment according to your budget and site.

Competitive price: We are directly manufacture of theETON pick and place machine, so we can give you thebest competitive price with high quality materials.

High quality: We have strictly quality control during allproduction from raw materials to the finished machine.

High efficiency: Allmachines parts are made byourselves, so it" s convenient to control the timeschedule and quality timely.

#### Service:

Maintenance period 1 year  
 One year warranty, during warranty, any parts need to be repaired and replaced will be free.  
 Software and hardware lifetime maintenance  
 Free upgrade software, software is Reach and develop by ETON, so we support whole lifetime free upgrade updates.  
 Visit customers regularly and gather information  
 Visit clients regularly. We attend different exhibition in different cities every year, at the same time, we will visit local clients and support our service and collect and feedback customer suggestions in time.  
 Provide latest information about technology and equipment  
 We give professional technology suggestion with our clients. And share the updates news to our clients

**FAQ:**

**Q: What is your machines quality?**

A: We have our own industrial park. There are production centre and R&D centre and quality inspection centre to guarantee the machine quality.

**Q: What is your delivery date?**

A: The delivery date is about 20 days upon the full payment.

**Q: The products you are advertising are in stock?**

A: The delivery date is about 20 days upon the full payment. Some times we have some in stock for ship , before shipping we'll do some machine test for clients .

**Q: How many hours does the machine can operated per day?**

A: Machine can work whole day. But for longer using life, we suggest you to have 1 hour or 2 hours off per day.

**Q: How can I buy this machine from you?**

A: A. Consult us about this product on line or by e-mail  
 B. Negotiate and confirm the final price , shipping , payment methods and other terms.  
 C. Send you the proforma invoice and confirm your order.  
 D. Make the payment according to the method put on proforma invoice.  
 E. We prepare for your order in terms of the proforma invoice after confirming your full payment. And 100% quality check before shipping. F. Send your order by air or by sea.
