

Double Motor SMT Chip Mounter 50000CPH Flexible LED Light Strips Making Machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CE, CCC, SIRA
- Model Number: HT-T9-2S
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden packing
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

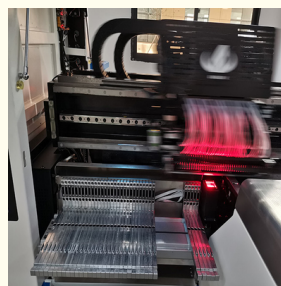

Product Specification

- Warranty: 1 Year
- Name: SMT Pick And Place Machine
- Condition: New
- Mounting Speed: 500000CPH
- Dimension: 3454*3035*1777mm
- Pcb Thickness: 0.1-0.5 Mm
- Head: 136PCS
- Camera: 10 Sets
- Highlight: **double motor SMT Chip Mounter, 500000CPH LED Light Strips Making Machine, Flexible LED Light Strips Making Machine**

Product Description

Machine main parameter

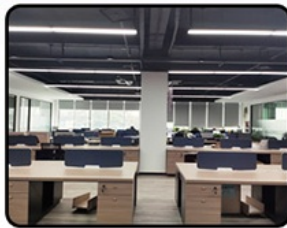

PCB size	250(±10)mm*any length
PCB thickness	0.1-0.5mm
Mounting mode	Double rail+ Four groups of placement heads
Mounting way	Group picking and group placing
Mounting speed	500000CPH
X,Y,Z axis drive way	High-end magnetic linear motor+servo motor
No.of head	Double side: 136PCS
Feeding way	Intelligent electric feeder with double motor

Features of machine

- Flight recognition camera,no pause to detect the presence or absence of components,component adsorption state,prevent placement errors
- Automatic production with identification data,correction and fill missing component automatically.
- The clamping rod is driven by the air cylinder to correct the materials taken by mounting head.
- With the function of filling missing component automatically, realize Industry 4.0 Unmanned Workshop.
- Compliant with CE standards.

Company Introduction

SHENZHEN Office

ETON Industrial Park

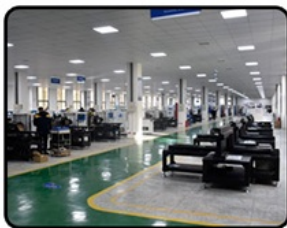

50,000 square meters

7 buildings

300 employees

assembly line

CNC workshop

Production line Exhibition hall

- 1.10 years development history.
- 2.Independent R&D Exclusive Patented technology.
- 3.80% large and listed LED factory are our client.
- 4.Top 1 in high-speed pick and place machine in China.
- 5.We can provide you with the whole production line.
- 6.Our software is R&D independently.We can offer software upgrade for lifetime for free
- 7.We have 50,000 square meters of industrial park. The production strength is abundant, occupies the first place in the domestic profession.

Certificate

We got 9 invention patents, 112 practical patents, 12 software patents.

Service

1. Maintenance Period: 1 year. (whole machine, any parts need to be repaired or replaced will be free)
2. Visit customer regularly and gather information.
3. Provide latest information about technology and equipment.
4. We have local India engineer, as long as you buy the machine, we will arrange engineer to install, debug, and training you for free, until you learn to operate the machine, service is very convenient. We have offices in Mumbai and New Delhi, very quick to support.
5. Besides, India, we also have local engineers in Egypt, Turkey. Can provide you with timely services.
6. One-year warranty period, any parts that need to be replaced or repaired during the warranty period are free.
7. Once you buy our machine, you will enjoy free software upgrades for life.

FAQ

Q: Does your machines have quality certificate?

A: All of the machines have passed CE, SIRA and CCC certificate and have own patent.

Q: What is the payment method?

A: We support T/T payment.

Q: When is the delivery time?

A: Delivery within 30 days after payment.

Q: What are the main LED products our machines for?

A: There are different machines in our company and different machines apply to different LED lights. The main products we can apply: bulb tube strip lamp panel. Down light, streetlight, ceiling light, wall washer light and so on.

Q: Do our machines only for LED lights?

A: No, our machines apply to not only LED light but also other products. Such as power driver, electric board, display, etc.
