

High Precision LED SMT Mounter Machine 12 Heads 45000PCH High End Magnetic Linear Motor

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: HT-E8S-600
- Minimum Order Quantity: 1 set
- Packaging Details: Vacuum adsorption, Wooden package
- Delivery Time: 30 work days
- Payment Terms: T/T
- Supply Ability: 50 sets/ month

Product Specification

- Applicable Components: 0402
- Application: SMT Production Line
- Power Supply: 380AC 50HZ
- Weight: 1500kg
- Mounting Speed: 4500CPH
- Feeders: 28 PCS
- Pcb Thickness: 0.5-5 Mm
- Warranty: 12 Months
- Highlight: High Precision LED SMT mounter machine,
Linear Motor SMT mounter machine,
Magnetic Linear Motor SMT placement machine

Product Description

High-end magnetic linear motor high precision LED 12 heads 45000PCH mounter machine

Product describe

Magnetic linear motor is adopted to make the production fast, efficient and accurate

Drag chain imported from Germany, IGUS brand

With camera system, automatic identification and mark correction to ensure accurate and efficient mounting

The machine software is independently developed by ETON

Feature

Mounting components: LED chip, resistor, capacitor, IC, lens, shaped components, etc.

Component: min.size 0402 max.height 15mm

Application: power drive, electric board, lens, DOB, linear bulb, household appliance, etc.

Machine parameter

Model	HT-E8S-600
Dimension	1550*1650*1550mm
PCB length width	Max 1200*500mm
Power	380AC 50HZ
Power consumption	4KW
Feeding way	Electric feeder with double motor
Mounting precision	0.04mm
Feeders	28pcs
Head	12pcs

Application

Mounting components: LED chip, resistor, capacitors, IC, shaped components etc

Application: Power driver, electric board, lens, DOB bulb, linear bulb, household appliance etc

Package

Our packaging process is handled by professionals, and the foreign trade staff will also take photos and records on site, so that customers can be more assured.

Our transportation mode is generally sea transportation or air transportation, which is mainly determined according to the needs of customers.

Service

Our Best Service

Exhibition

When there is no epidemic, our company will arrange to participate in various large-scale exhibitions every year. At the exhibition, we have our own station, and our machines can be seen on the exhibition. This has also attracted many customers to watch. Also received a lot of customers love.

FAQ

Q: What products you sell?

A: Our company deal in the following products:

SMT equipment and accessories: pick and place machine, stencil printer machine, glue dispenser, conveyor, feeders, SMT nozzles, etc.

Q: Do you sell nozzles and spares?

A: Yes, we do sell nozzles and feeders, if you need any spares, just let us know.

Q: What service can we provide?

- A: 1. Free install, debug and train
- 2. Software free upgrade
- 3. Maintenance period: 1 year

Q: Do you have offices and local engineers in overseas?

Yes, we have established offices and local engineers in Egypt, Turkey and India, etc.

Q: Why do you choose our product?

Our product quality is guaranteed, and we have overseas local engineers, can arrange door to door installation.

Software lifetime free upgrade

Free installation and training

Provide 1-2 times a year free for machine repair, after the warranty period.
