

Rigid PCB High Speed Pick And Place Machine 180000CPH For 0.5m 1m LED Flexible Strip Light

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC CE SIRA
- Model Number: HT-F7S
- Minimum Order Quantity: 1 set
- Packaging Details: wooden package, vacuum cased
- Delivery Time: 30 days
- Payment Terms: T/T
- Supply Ability: 50 sets per month

Product Specification

- Dimension: 2700*2300*1550mm
- Total Weight: 1700KG
- PCB Length Width: Max:1200*330mm Min:100*100mm
- PCB Clamping: Adjustable Pressure Pneumatic
- Mounting Mode: Group Picking And Group Placing
- No.of Camera: 5 Sets
- Mounting Speed: 150000-180000CPH
- Components Space: 0.5mm
- Highlight: Rigid PCB pick and place machine,
1m Strip pick and place machine,
180000CPH pcb smt assembly machine

Product Description

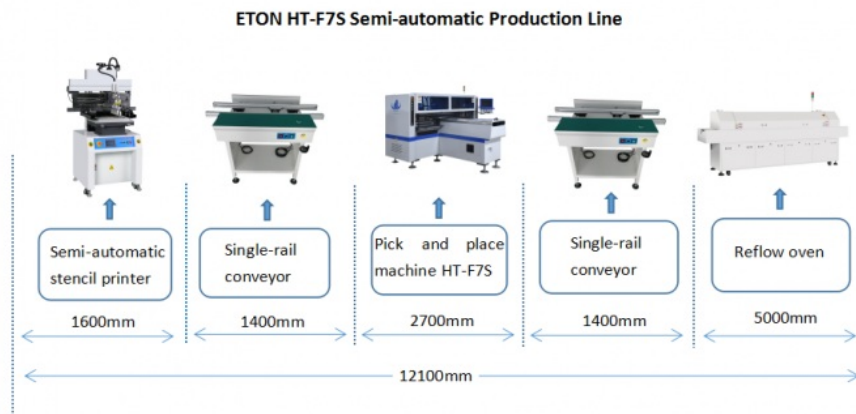

Machine parameter

F7S	
Length*Width*Height	2700*2300*1550mm
Total height	1700kg
PCB length width	Max: 1200*330mm Min: 100*100mm
PCB thickness	0.5-5mm
PCB clamping	Adjustable pressure pneumatic
Mounting mode	Group to take and group to mount
No. Of camera	5 sets (vision alignment, mark correction)
No. Of feeder station	68 PCS
No. Of head	34 PCS
Mounting speed	150000-180000CPH
Power	380AC 50HZ 6KW
Feeding way	Electric feeder with double motor
XYZ axis drive way	High-end magnetic linear motor + servo motor

Machine Application

Apply to the 0.6m, 0.9m, 1.2m. rigid PCB and 0.5m, 1m LED flexible strip. Producing with 2-4 types of materials with high capacity, available for board with any proportion of LED chip and resistors.

Company introduction

Shenzhen ETON Automatic Equipment Co.,Ltd. was founded in 2011. It is a manufacturing and process solution provider focusing on R&D, production, sales and service of SMT high-speed pick and place machines and SMT peripheral automation equipment. ETON is the leading manufacturer of global opto-electronic high-speed pick and place machine, the products are exported to more than 20 countries and regions, including South Korea, India, Vietnam, Tunisia, Egypt, Turkey, Russia, Brazil etc. ETON obtains a number of intellectual property technologies, including 9 invention patent, 112 practical patents, 12 software copyrights.

Our Advantage

ETON Company

- A leading manufacturer of automatic high-speed pick and place machine
- The largest high-tech LED light making machine manufacturer in China
- Obtained a number of intellectual property technologies,including 9 invention patents,112 practical patents,12 software copyrights

ETON Industrial Park

- There is 50000 square meters modern intelligent Industrial parks,equipped with an advanced processing and manufacturing center
- There are various types of machines, the fastest capacity reache 250000CPH, which is the fastest machine mounting speed in the world

ETON Team

- High service efficiency,there is service office in India.
- Quality First,Client-oriented,Continuous Improvement.
- 24 hours online for you to answer

Service

Company five level management policy:sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust.

"No worries " after sale service concept: the Pearl River Delta region to arrive within 4 hours, day to solve; Guangdong Province 24 hours.

ETON mission: professional, excellent technology, sharing the results.

ETON goal: A national well-known brand, build world-class enterprises.

ETON purpose: to create value for customers, creating benefits for society.

ETON vision: Determined to become the world's most competitive manufacturer and service provider of pick and place machine and high-end electronic testing equipment.

7*24 technical online support

Professional training of operating and maintenance

Provide free installation machine to ensure smooth production

Quality First, Client-oriented, Continuous Improvement

We promise to allow customers to clearly know the completion of the product

In strict accordance with the relevant provisions of the contract terms of production, delivery, to ensure product intact and in place within the stipulated time to customer requirements

Visit customers regularly and gather information

Company five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust

FAQ

Do you have oversea after sale service?

Yes ,We can provide technical support abroad. If you have any technical problems, our engineers will provide you with timely support. Abroad, we have India, Turkey and Egypt office and local engineer, etc.

It's hard to use the machine?

Machine is very intelligent and easy to operate, like the intelligent phone, also the software is made by our company. About 3-5 days you can operate.

What machine can I buy from you?

We can provide a product line of SMT. Such as Multi-function placement machine, high-speed placement machine, dispensing machine, loading machine, printing machine, reflow soldering, etc.

Does the price include the spare parts(feeder and nozzle)?

Different clients has different requirements on spare parts, it is not fair to the clients to add in equivalent price for spare parts. So we don't add the spare parts cost on price, and price is only for machine.

Are you a reliable cooperator?

Yes, we specialized in SMT parts over more 10 years in Shenzhen China. We participated in many exhibitions in abroad and domestic. We have a more 50000 industrial park, total 7 building and 300-500 employees. We obtain a number of intellectual property technologies, including 9 invention patents, 112 practical patents, 12 software copyrights. And our high speed machines' speed can reach 250000CPH, broken the world record.
