

Electric Products Board SMT Mounter Machine 32 Feeders Station 10 Heads Flight Vision Camera

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: ETON
- Certification: CCC, CE, SIRA
- Model Number: YT101
- Minimum Order Quantity: 1 set
- Packaging Details: vacuum adsorption, wooden package
- Delivery Time: 30 work days
- Payment Terms: T/T
- Supply Ability: 50 sets/month

Product Specification

- Warranty: 1 Year
- Applicable Components: 0201
- Application: SMT Production Line
- Dimension: 2317*1376*1762mm
- Feeders: 32pcs
- Heads: 10 Pcs
- Pcb Thickness: 0.5-4.5 Mm
- PCB Size: Max 500*350mm
- Highlight: Electric Board SMT Mounter Machine,
SMT mounter machine 10 Heads,
32 Feeders SMT Mounting Machine

Product Description

10 heads Brand new flight vision camera Electric products board 32 feeders station mounter machine

Feature

Improve recognition performance, size up to 10*10mm

Each placement head with independent detection function, which improves the stability of the equipment and the reliability of the product.

Adopt high-end magnetic linear motor, servo system and multi function modular head, the capacity increased by 25% compared with traditional machine, optimum placement speed reach 45000CPH

High-speed precision head flight vision camera capture the image of placement accordingly, improve the speed and accuracy of placement

The placement head adopt independent vacuum detection, improve placement performance

Off-line programming, save time of changeover cycle

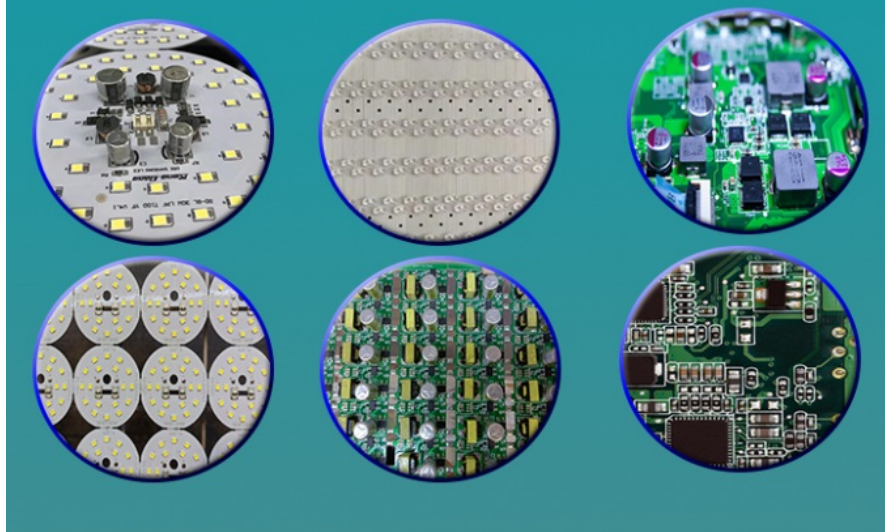

Machine parameter

Off-line programming	Available
No. of camera	2 sets
Repeat precision	±0.02mm
Mounting height	≤20mm
Mounting speed	45000CPH
Components range	Min 0201~10mm packages and IC etc.
Power	380AC 50HZ
Operating environment	23 ±3

Application

Apply to 0201-10mm tape reel package and IC tray feeder, wider components range.

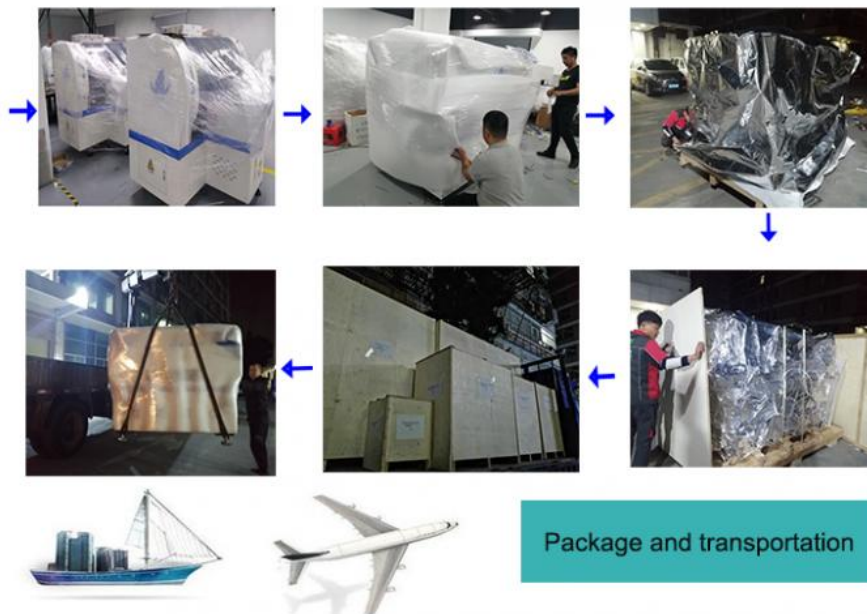

Application

Package

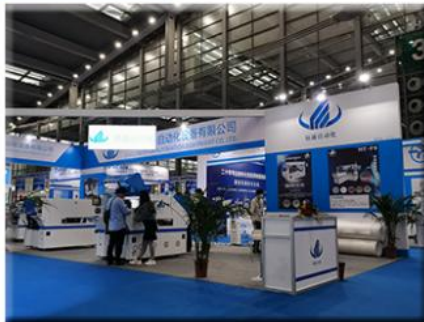

Our products are packed in vacuum wooden cases.

Each process of packaging is carefully completed by our professional packaging personnel to ensure that customers can receive complete products.

Exhibition

Exhibition

Our company will participate in various exhibitions every year, such as Shanghai Munich exhibition, Guangzhou Guangya exhibition, Chongqing LED exhibition, Turkey exhibition, India Mumbai exhibition, India Delhi exhibition, Pakistan exhibition, Egypt exhibition, etc

Company show

We have industry park cover 520000 meter square in the Jiangxi province, and headquarter in Shenzhen, China. we have professional and strong R&D team.

FAQ

Q: Why do you choose our product?

our product quality is guaranteed, and we have overseas local engineers, can arrange door to door installation.

Software lifetime free upgrade

Free installation and training

Provide 1-2 times a year free for machine repair, after the warranty period.

Q: How about the quality of your products?

A: We have more than 10 years of experience in this industry, the quality of products is guaranteed, the products are popular at home and abroad, and have won the trust of many customers.

Q: This is the first time I use this kind of machine, is it easy to operate?

A: There is English manual or guide video that show you how to use machine. If you still have any question, please contact us by e-mail/ Skype/ phone/ wechat/ online service.

Q: What products you sell?

A: Our company deal in the following products:

SMT equipment and accessories: pick and place machine, stencil printer machine, glue dispenser, conveyor, feeders, SMT nozzles, etc.
