

pick and place machine with higher precision and mounting for roll to roll soft strip

Our Product Introduction

for more products please visit us on smtmountingmachine.com

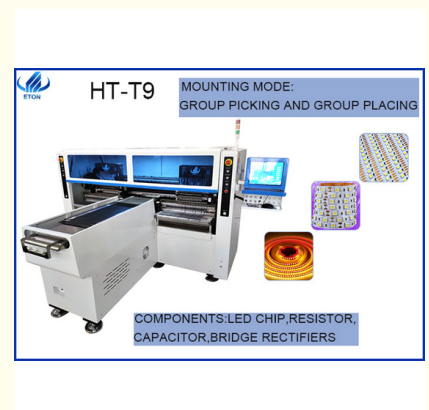

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC,SIRA,CE
- Model Number: HT-T9
- Minimum Order Quantity: 1PCS
- Packaging Details: WE USE VACUUM WOODEN BOC PACKAGE
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 50PCS/Month

Product Specification

- Model: HT-T9
- Warranty: 1 Year
- Name: SMD Chip Mounter,SMT Pick And Place Machine,SMT Chip Mounter
- Application: SMD Production Line,SMT Production Line,for SMT Machine
- Power Supply: 380AC 50HZ
- Condition: 100% Original,Brand-new
- Weight: 1700KG
- Mounting Speed: 200000-250000CPH
- Usage: Circuit Board Assembly,SMT Mounting Machine,SMD,LED
- Dimension: 3100*2300*1550MM
- Feeders: 68PCS

Product Description

pick and place machine with

higher precision and mounting for roll to roll soft strip

Quality control

The "Speed" and "Stability" of the products have created the Yitong brand, Yitong's original manufacturing plan, the pursuit of rigorous quality management and sound The Adjuster, and innovation, continuously create value for customers. The core technology of Yi-tong LED Mounter is independently developed by yi-tong people. Chinese and English interface, humanized design makes product operation easy to learn, ordinary workers can operate independently after a short period of training, in comparison, foreign products need at least one professional engineer, two workers, in the overall cost control of labor, easy pass products significantly reduced the cost of product use, the top of the SMT industry.

Production Details

Warranty of core components: 1 Year
 Core Components: R&D by Eton
 Place of Origin: Guangdong, China
 Brand Name: ETON
 Model Number: HT-T9
 Place of origin: China
 Dimension: 3100*2300*1550MM
 Total weight: 1700kg
 Power: 380AC 50HZ
 Power consumption: 6KW
 Mounting speed: 250000CPH
 Visual camera: 5 sets of imported camera
 After-sales Service Provided: Video technical support, Online support

Support of technology

The core technology of ETON LED Mounter is independently developed by yi-tong people. Chinese and English interface, humanized design makes product operation easy to learn, ordinary workers can operate independently after a short period of training, in comparison, foreign products need at least one professional engineer, two workers, in the overall cost control of labor, easy pass products significantly reduced the cost of product use, the top of the SMT industry.

Detail parts

1. Conveyor Unit
Main Stopper, Locate Pins, Push-in Unit, Edge Clamp, Push-up Plate, Push-up Pins, Entrance Stopper
2. Nozzle Station: allows automatic exchange of nozzles
3. The Air Supply Unit includes an Air filter, a pressure regulator button, and a barometer.

FAQ

Q: Can I use CIF price?

A: CIF price need add the freight, insurance fee on the basis of EXW price, and the India delivery forwarder will charge ours more than yours. So actually to do EXW will be more simple and save cost for you.

Q: Can I visit the production site of your machines in India?

A: I have to ask my client. After all, this is our customer's factory. We cannot make decisions for my clients. I think that you wouldn't want your competitors visit your manufacturing site, please understand.
