

SMT pick and place chip mounter in led field for flexible soft strip roll to roll

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC,SIRA,CE
- Model Number: HT-T9
- Minimum Order Quantity: 1PCS
- Packaging Details: WE USE VACUUM WOODEN BOC PACKAGE
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 50PCS/Month

Product Specification

- Model: HT-T9
- Warranty: 1 Year,12 Months
- Name: SMD Chip Mounter,SMT Pick And Place Machine,SMT Chip Mounter,smt Nozzle
- Application: SMD Production Line,SMT Mounting Shooter Machine,SMT Production Line,for SMT Machine
- Power Supply: 380V 50HZ
- Condition: 100% Original,Brand-new
- Product Name: Place Machine\ LED Mounter\LED Assembly Machine,Automatic SMT Mounting Shooter,SMT Shooter Machine
- Weight: 1700KG
- Mounting Speed: 250000 CPH
- Type: Automatic
- Usage: Circuit Board Assembly,SMT Mounting Machine,SMD,LED

Product Description

SMT pick and place chip mounter in led field for flexible soft strip roll to roll

Parameter

Dimension:3100*2300*1550mm

Total Weight:1700 kg

PCB Length Width:250*any length

PCB Thickness:0.5-1.5mm

PCB Clamping:Vacuum adsorption, cylinder splint, adjustable track width

Mounting Mode:Group picking and separately placing

Mounting speed: 200000~250000 CPH

Repeat mounting Precision:±0.02mm (Repeat precision)

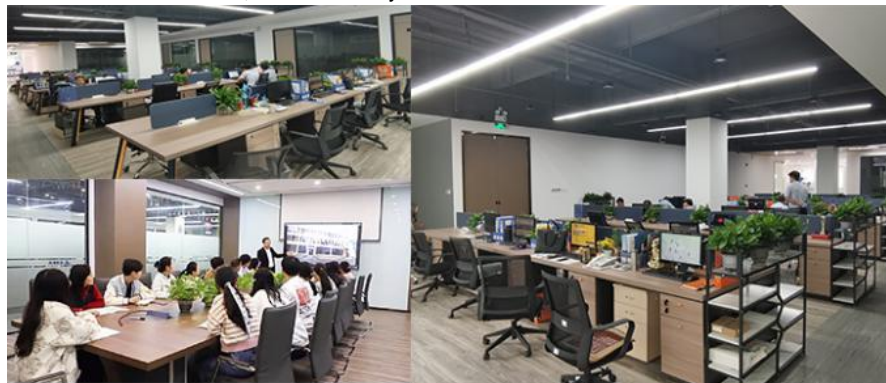

Mounting Height:≤5mm

Components:LED 3014/ 3020/ 3528/ 5050 and capacitors, resistors, bridge rectifiers, etc.

Introduction of our company

Such a great company. The market has been widely recognized and a good reputation. So that the rapid development of ETON into the SMT field, which is a very influential manufacturer.

We have the domestic sales department, a very large department, they are all very professional sales consultants, which is why in China, more than 80% of LED lamp manufacturers are our customers, which is closely related to them. Also we have our own R&D department, we must know that R&D is a core and secret department, as long as we know that our R&D team has more than 20 years of experience in SMT machine research and development, excellent teams from various countries. Our purchasing department and after-sales department, these departments work together with the R&D department to give customers the best quality products and first-class after-sales service.

This is the department of our Shenzhen headquarters. In addition, we have an industrial park of more than 50,000 square meters in Jiangxi, which is mainly responsible for production and assembly, so each department of our company performs its own duties and operates efficiently.

In addition, our service is also very five-star, if you buy our machine, first of all:

1. You will enjoy a one-year warranty period, and any damaged parts will be replaced free of charge during the warranty period

2. We will send engineers to install the machine free of charge and train employees, no matter which country you are in, no matter how far you are

3. We will provide free software upgrades for life, reduce your future investment, and keep your production at the forefront of the industry. Eton's mission is to create value for the society and create benefits for customers, ETON is the best partner of LED.

FAQ

Q: Can I visit the production site of your machines in India?

A: I have to ask my client. After all, this is our customer's factory. We cannot make decisions for my clients. I think that you wouldn't want your competitors to visit your manufacturing site. Please understand.

Q: Can I use CIF price?

A: CIF price needs to add the freight, insurance fee on the basis of EXW price, and the India delivery forwarder will charge ours more than yours. So actually to do EXW will be more simple and save cost for you.
