ETON 250000CPH LED Strip light SMT production line LED light making machine

Our Product Introduction

for more products please visit us on smtmountingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: Eton
- Certification: CE CCC ISO
- Model Number: HT-T9
- Minimum Order Quantity: 1 unit
- Price: USD 68000
- Packaging Details: Wooden box package
- Delivery Time: 30 work days
- Payment Terms: T/T
- Supply Ability: 100 sets a month

Product Specification

- Length: 2700MM
- Width: 2300MM
- Height: 1550MM
- Weight: 1700KG
- Power: 380AC 50Hz
- Power Consumption: 6KW
- Speed: 250000 CPH
- Repeat Mounting Precision: 0.02MM
- Mounting Mode: Group Taking Group Placing
- Application: LED Strip/tube/panel

Product Description

250000CPH LED Strip light SMT production line LED light making machine

1: Product features and application

- * Apply to the 0.6 M, 0.9 M, 1.2 M rigid PCB and 0.5 M, 1 M LED flexible strip. Producing with 4 types of materials at the same time with high capacity. available for board with any proportion of LED chip and resistor.
- * Dual arm four modul, 17 nozzles for each mounting part, part A/B/C/D can be mounted separately or synchronously.
- * Calibration automatically, high precision, available for RGB.
- * Exclusive patent technology: Group to take and group to mount.
- * Optimum speed can reach 250000 CPH

2. Main parameter

Length*Width*Heigh	2700mm*2300mm *1550mm
Total Weight	1700kg
PCB Length Width	Max:330*1200mm Min:100*100mm
Mounting Precision	±0.02mm chip
Mounting Speed	250000CPH(optimum)
Components Speed	0.2mm
Power	380AC 50HZ
Power Consumption	6kw
No. of feeders	68PCS
No. of heads	68 PCS
Components	LED 2121/2727/3528/3535/5050 etc

3: Client case

Client: Indian client

City: Delhi

Product: LED Flexible strip

The client was in other LED lights before, and then they planned to produce flexible light strips. The market prospect is very optimistic. ETON helped the client to plan the LED strip light production line, including the patch production line: semi-automatic printing machine-conveyor-high-speed pick and place machine - conveyor - reflow oven, and also planned welding machine, sub-board line, rolling machine for client 5M strip light production. The client put into production in 2021, and the production situation is very good. ETON technicians installed the machine in the client's factory, planned the wiring, tested the production, and trained the client's engineers. The client's project was very successful, becoming one of the few manufacturer in India that can provide 5M strip light.

The factory for the production of all flexible light strips is very competitive, and now is planning add a new SMT production line with ETON to expand production and LED product categories. For roll to roll strip light.

4: Why choose us

- 1, **52000 square meters industrial park** ensure the brand effect and present company strength.
- 2, Own manufacturing center, equipped with an advanced processing and manufacturing center, strict quality control, and standardize production, streamline production processes make our machines has high quality standard and strong supply capacity.
- 3, Advanced in technology and innovation. Has **9 invention patents, 12 software copyrights and 112 practical patents.**
- 4, The **biggest manufacturer and top brand** for SMT machines in China, which has occurred 85% market in China and has **exported** our machines to India, Vietnam, Korea, Japan, Turkey, Tunisia, Egypt **et more than 30 countries and regions.**
- 5, Has own professional R&D team, has Indian engineer, Indian office, Turkey engineer, Egypt engineer, etc. Can provide support promptly
- 6, Independent research and development. **Own R&D team** make the software and machines has best program. And can provide the whole life free update on software.
- 7, Own design and produce feeders make the machines' stability and long-life feeding and good performance.
- 8, More than **10 years SMT field experiences** sharing, provide the most suitable SMT program to every client

5: FAQ

1. Q: Are you a trade company or a manufacturer?
2. We are an professional manufacturer specialized in Screen Printer, SMT Machine, Pick and Place Machine, Reflow Oven, SMT Production line and other SMT Products.
2. Q: What is your delivery date?
- The delivery date is about 20 days upon the full payment.
3. Q: What is your payment terms?
- 100% payment before delivery or 50% deposit in advance and the rest before shipment.
4. What are your advantages?
- Our company stick to five level management policy: sincere business, focus on R&D, manufacturing intentions, considerate service, customer trust
