

80000CPH LED SMT Machine High Precision 20 Heads Magnetic Linear Motor

Our Product Introduction

for more products please visit us on smtmountingmachine.com

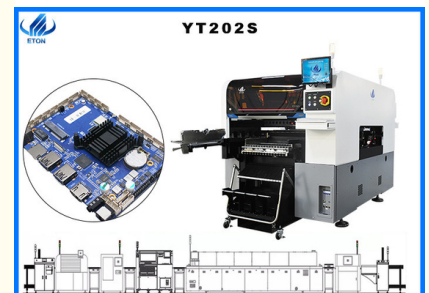

Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC,SIRA,CE
- Model Number: YT202S
- Minimum Order Quantity: 1PCS
- Packaging Details: We use vacuum wooden box packaging
- Delivery Time: 5-8days
- Payment Terms: L/C, T/T
- Supply Ability: 50pcs/month

Product Specification

- Model: YT202S
- Length: 2788mm
- Width: 1686mm
- Height: 1375mm
- Total Weight: 1700kg
- Mounting Speed: 80000CPH
- Highlight: High Precision LED SMT Machine,
80000CPH LED SMT Machine,
Linear Motor LED SMT Machine

Product Description

High Precision 20 heads 80000CPH Led Lighting SMT Machine

Parameter

model	YT 202S
PCB size	MAX size: 500*450mm(single PCB) 500*300MM(double PCB) MIN size: 50*50mm
PCB thickness	0.5-4.5mm
PCB clamping	Cylinder clamping, track width adjustable
system	Windows 7
software	R&D independently
No. Of camera	4 set (digital camera) Bottom vision camera recognition Vision alignment+ mark correction
Mounting speed	80000 CPH(optimum speed)
Components range	Min 0201-4040mm tape reel packages and IC tray feeder etc
power	380 AC 50Hz 6KW
Air consumption	0.4-0.6mpa(4-6kgf/cm ²) 150N/min
Electrical control	Independent research and development by
Motion control card module 1 set	ETON
X,Y,Z Axis drive way	High end magnetic linear motor+ servo motor
No. Of feeder station	Double side docking cart slot 32 PCS, tape reel packages : 64PCS(single side docking cart slot 16 PCS, tape reel package: 32PCS),freely switching between docking cart and IC tray feeder
No. Of heads	Double side: 20 PCS(single side: 10 PCS)
Feeding way	Intelligent double head feeder

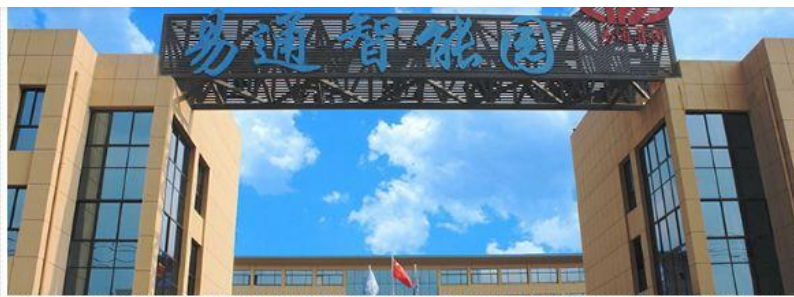

Feature

1. YT202S has 20 heads and Double side docking cart slot 32 PCS, tape reel packages : 64PCS(single side docking cart slot 16 PCS, tape reel package: 32PCS),freely switching between docking cart and IC tray feeder
- 2.the range of components are apply to ultra small chip 0201-40*40mm large chip, improve recognition performance size up to 40*40mm, apply to BGA 0R CSP etc.
3. the each placement head of YT202S with independent detection function, which can improves the stability of the equipment and the reliability of the product.
4. the optimum mounting speed reach 80000 CPH in good conditions.
5. the mark recognition system of YT202S adopt 3-color illumination recognition, apply to any shape mark and lens, wider range of applications.
6. YT202S has changed the traditional feeding way, add the docking cart, smart double head tape feeder, IC tray feeder
7. YT202S has the off-line programming, it can save time of changeover cycle
8. YT202S has double rail and both gantry can mount a large PCB or two same PCB at the same time

Company advantages

ETON is the top manufacturer of SMT pick and place machine and was set up in 2011 with more than 10 years experiences.ETON have more than 50000 square meter intelligent Industrial park in Jiangxi Province, machine capacity more than 50 units/month.

**Core Technology
Independent R&D**

**>52000M²
Manufacturing Center**

**>100 sets/month
Large-scale Production Capacity**

**>500 Staffs
China Top One in SMT Industry**

**Rich Industry Experience
Full SMT Line Solution Support**

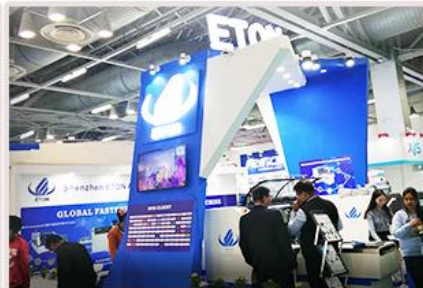

**>135 Patents
Invention& Software& Practical**

Global Service Office: India · Turkey · Vietnam · Egypt · Pakistan

- Professional solutions: Provide professional SMT Full line solutions
- Free Warranty: One-year warranty factory service. All parts damaged within the warranty period shall be replaced free of charge
- Free Installation: On-site free installation to ensure smooth production.
- Free Technical Training: Professional training of operating and maintenance.
- Free Technical Support: 7 * 24 technical online support.
- Free Software Upgrade: Offer free software upgrade whole lifetime

Exhibition

ETON actively participates in various exhibitions at home and abroad, and lets our products show up in front of our customers.

FAQ

1. may i choose the T/T payment?

yes. You can choose FOB Shenzhen by T/T.

2. how about you clients?

in South Korea, India, Egypt, Turkey, Russia etc we have many important clients, and our machine are exported more than 20 countries and regions

3. What about your machines series?

We have all kinds of machine, and different machines apply to various appliance. such as bulb, tube, flexible strip, panel light, down light, street light, ceiling light, wall washer light etc.

4. What else do you offer besides the SMT pick and place machine?

We provide the whole production line machine, including solder paste printer machine, conveyor, pick and place machine, reflow oven.

5. How about the software ?

Our software are Independent R&D by ourselves and provide freely upgrade whole lifetime.
