

## AC110V 500mm PCB Translational Conveyor for LED Bulb Assembly Machine SMT Line

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CE,CCC risa
- Model Number: DP-330
- Minimum Order Quantity: 1 set
- Price: FOB USD 300~1000/sets
- Packaging Details: Our packing is made of wooden box with vacuum package, and we promise to deliver the goods within four weeks after payment.
- Delivery Time: 30 work days after deposit
- Payment Terms: T/T
- Supply Ability: 50 sets per month

#### Product Specification

- Name: Translational Conveyor
- Dimension: L686xW1500xH1200mm
- Warranty: 1 Year
- Weight: 140kg
- Condition: New
- Power Supply: AC110~220V
- Type: SMT Machine Related Products
- Application: LED Bulb Assembly Machine
- Highlight: **500mm PCB Translational conveyor,  
AC110V PCB Translational conveyor,  
LED Bulb PCB Translational conveyor**

## Product Description

### AC110V 500mm PCB Translational conveyor in smt factory smt line

#### Specifications of PCB Translational conveyor

Model	500 mm translational conveyor
Dimension	L686xW1500xH1200mm
Rail Width	50-390mm
Process lane	Single
Trolley amount	1
Cycle time	Approx 10 sec
Process height	900±20mm
Flow direction	L→R or R→L
Board thickness	Min 0.6mm
Weight	140kg
Power requirement	220Vac 50/60Hz ,1ph

#### Features

It is suitable for SMT production line to realize parallel load transfer between two positions for confluence or diversion.

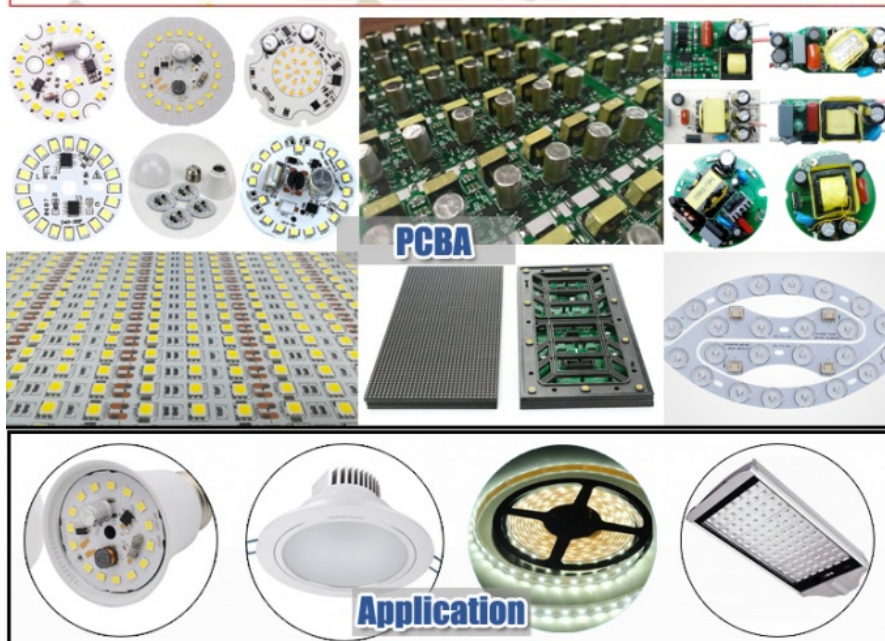

- (1)The frame is made of thickened sheet metal.
- (2)Guide rail is made of special aluminum.
- (3)The shifting action is driven by a stepper motor.
- (4)The track is driven by a stepper motor.
- (5)Panasonic PLC programmable controller control.
- (6)Touch screen operation (display control).
- (7)Single/double shift trolley is optional.
- (8)Single/double track operation structure is available.
- (9)Compatible with SMEMA interface.
- (10)Smooth design buffer deceleration.
- (11)A variety of length shifts are available.

#### PCB Translational conveyor

#### For SMT factory setup,we can do for you:

1. We provide full SMT solution for you
2. We provide core technology with our equipments
3. We provide the most professional tech service
4. We have wealthy experience on SMT factory setup
5. We can solve any question about SMT

#### RFQ

**Q : Is there any quality guarantee?**

We stick to quality first, client-oriented, Continuous improvement!

**Q: What is SMT Machine?**

This is an LED lamp patch machine using surface mount technology.

**Q: Whether the machine's after-sale service is guaranteed?**

Each of our machines has a one-year warranty and will regularly visit customers for use.

**Q: What we can do for you?**

A: We provide SMT machine, we can also provide Production line scheme and so on. Professional Technical Support and Service.

**Q: What is your delivery date?**

A: The delivery date is about 25-30 days after receipt of deposit.

**Q: What is your payment terms?**

A: 30% deposit and 70% balance before shipment.

**Q: This machine is easy to use ? if I have no experience, I can also operate it well ?**

A: Yes, our machine is designed to use easily, Normally it will take you 1 day to learn how to operate, if you are a technician, it will much faster to learn.
