## HT-F9 LED Strip Light Mounter Mounting LED Chip/Resistor/Capacitor SMT Machine

### Our Product Introduction

for more products please visit us on [smtmountingmachine.com](http://smtmountingmachine.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: ETON
- Certification: CCC/CE
- Model Number: F9

#### Product Specification

- Machine Name: Pick And Place Machine/led Lighting Production Line
- Model: HT-F9
- Application: Mounting Led Chip/resistor/capacitor
- Warranty: One Year
- Highlight: **250000 CPH LED Strip Light Mouter, SMT Machine LED Strip Light Mouter, CCC LED SMT Machine**

## Product Description

### Led strip lighting board smt machine

#### LED strip lighting board mounter machine

High capacity and good quality led strip manufacturign is all led factory require. ETON more than 11 years reach and develop new upgrade the newly led chip mounter machine—HT-F9.

F9 is the top series led strip light mounter machine, also it could mounting other smd components, like led resistor, Doide, IC, tape capacitor, etc.

Here are the mainly parameter of F9 Mounter machine

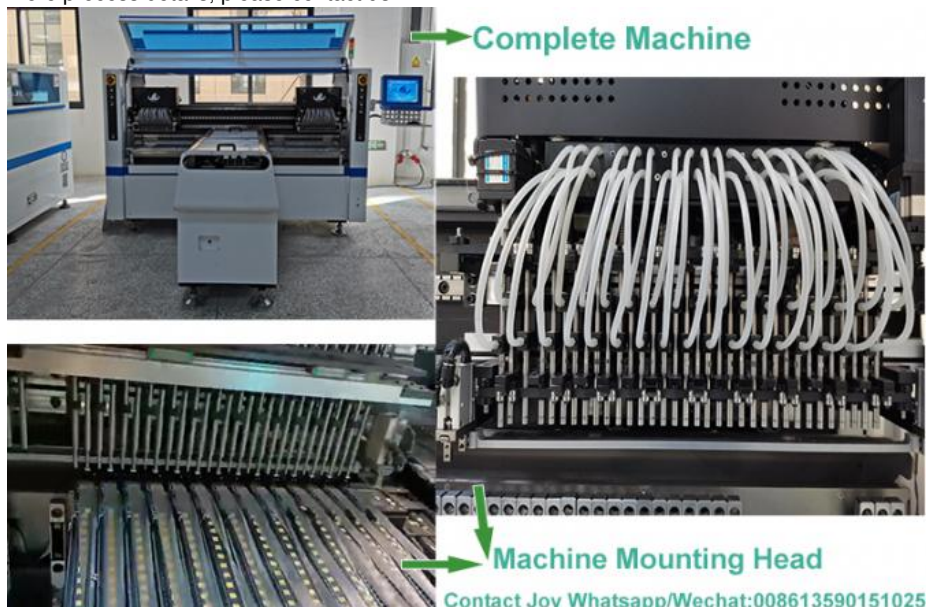

Dimension:2700*2300*1550 mm
Weight: 1700 kg
Max PCB Length: 1200 mm
Mounting mode: group picking and group mounting
No.of camera: 5 sets digital camera
Theoretical speed:200000-250000 CPH
No.of heads:68 pcs
No.of feeders:68 pcs

#### LED strip lighting board manufacturing process

The process of led strip light mainly include: SMT Line—Test—Assembly—Glue assembly(waterproof)

For SMT Line, mainly included Semiautomatic printer machine, pick and place machine, conveyor, reflow oven soldering machine

More process details, please contact us

Contact Joy Whatsapp/Wechat:008613590151025

#### LED strip lighting board machine function

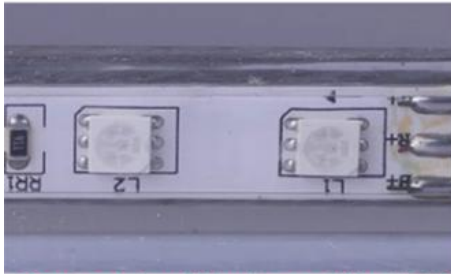

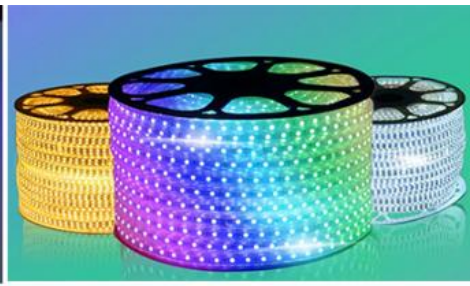

Different machine function is different.

Printer machine : printing solder paste on the pcb

Conveyor machine: Buffer and transport pcb to the next machine

Pick and place machine: picking and mounting smd components on the pcb

Reflow oven machine: Soldering pcb and the components

Contact Joy Whatsapp/Wechat:008613590151025

#### Packing and shipping

Inspection-free fumigation wooden box and price included the package and loading , exw payment terms.

#### FAQ

1. Do you have client in Tunisia?

A: Yes, we have client in Tunisia, and other many countries.

2. Could you please sent us the machine catalog?

A: Yes, please contact with us directly for more machine details.

3. how long is the lead time?

A: Machine in stock could arrange within 7 days, Machine Out of stock will need around 20 working days
